1930

PUBLISHED BY THE
CLASS OF 1930

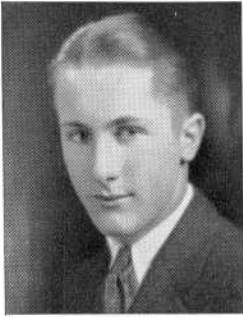

B. M. C. DURFEE HIGH SCHOOL

FALL RIVER - MASSACHUSETTS

To
Miss Alice Langford, our beloved teacher,
who is ever ready to support school
activities and lend a helping
hand, is this book fittingly
dedicated by the

The Students' Activities Association, an organization in which the students take a large share in governing themselves, has been very active during the past year.

The Council has made many changes this year. Because of the different system of marking at the Junior High Schools, it was voted to count only the marks of the second, third, and fourth years for eligibility to the Honor Roll. The Chaminade Glee Club was accepted as a school extra-curriculum activity, therefore the president is to be awarded a delta.

A new point system, to record both major and minor offices, has been adopted, whereby a certain number of points is given for each office, and one pupil can carry only a certain number of points. The name of the "All A Honor Roll" was changed to the "High Honor Roll."

The pin drive staged early in the spring was a great success.

Under the guidance of Coach Mary Bullock and President Thomas Foley, the club has met weekly, alternating its business with a varied program of individual recitations, plays, singing, and dancing.

In the fall our first get-together was a hare and hound hunt. The fleet-footed hares were released from Durfee at the close of school, but their freedom was short-lived. The energetic hounds pursued by leaps and bounds and fell upon their prey at Sandy Beach. Being tamed hounds and gentle hares, the "killing" was postponed "sine die" and instead an amicable picnic supper, minus hare stew, resulted.

To increase the club treasury, a Costume Dance was held in the Woman's Club. This affair was a wonderful success both socially and financially.

The club's first public performance was the three one-act plays presented at Masonic Temple, December 31. An original play, "A Fantasy," written by Esther

Yamins '30 was given by the first year drama class. The second year class presented an excellent performance of the exciting melodrama, "Two Crooks and a Lady," while the volunteer group supplied humor with "The Real Gloria."

On February 6 and 7 at the Morton and Lord Junior High Schools the club members presented their annual Novelty Nite. The program which was most enjoyable and effectively varied gave the audience an opportunity to realize the wide range of talent enlisted in the club activities.

On March 20, Durfee, in accordance with its custom, participated in Dramatic Day sponsored by the Pawtucket High School. A very thrilling and gripping play, "The Man Without a Head," was so artistically and feelingly presented by Francis Bush, Francis Finneran and Paul Connolly that Durfee was awarded first prize in a tie with East Providence, and brought home the silver loving cup.

Twice during the year the student body has been entertained at assemblies by members of the club. A program in honor of Washington and Lincoln was offered in February and a few weeks later the comedy, "Sham," was presented.

In order to show appreciation to the faculty for its ready sympathy and interest, the club entertained the teachers at a Festival of Drama held in Women's Union Hall. The guests, while sipping ginger ale and munching pretzels enjoyed tremendously the delightful program of singing, dancing and the three plays "Mansions," "When the Whirlwind Blows," and "Thank You, Doctor." After the concert all joined in general dancing.

The Fall River Association of University Women was delightfully entertained by the excellent presentation of the plays "Three pills in a Bottle," and "The Man Without a Head." Paul Connolly also entertained with feats of magic.

The whole Club participated in the finale of the Massachusetts Bay Colony Tercentenary Celebration at the South Park.

When this book went to press the year was drawing to a close and one big play remained for the Durfee Dramatic Club. Whether the play was of Shakespeare or of some other playwright, the club, trained in observation and imagination, the basic principles of the stage, added further lustre to its glory.

There are three reasons why the Durfee Hilltop this year has proved both a financial and social success; namely, the fine cooperation and advice given by our new faculty advisor, Mr. Joseph A. Wallace, the loyalty of the staff to this school publication, and the ability and foresight of our editors and their associates.

A number of special editions were put out, such as the Hallowe'en and Christmas editions. In the humorous edition, "The Daffy-Dill," the staff created a piece of work which amused both students and faculty alike without injuring the feelings of those who were mentioned.

Due to the fact that more cuts were used and more features were introduced, the Hilltop became a treat which was looked forward to each week by its many subscribers and purchasers.

The Durfee Forum

FRANCIS V. HANIFY, *President*

NORMAN M. ZALKIND, *Vice President*

ANNA M. CHERNOCK, *Secretary*

THOMAS CROTTY, *Treasurer*

EDWARD WARD, *Sergeant-at-Arms*

Led by the new coach, Miss Virginia Mixer, and the very able president, Francis Hanify, the Durfee Forum entered upon a most successful year. The membership, composed of students from the four classes was large.

Weekly meetings were held where interesting debates and open floor discussions took place. The Mock Trial staged by members of the organization created much excitement among the student body.

The Senior Class Debating Tournament, which Thomas Foley and Harry Clapham won, was held under the direction of the Forum.

At the annual banquet of the club, held in May, seniors and juniors, receiving high marks in debating and public speaking, were entertained and members of the Debating Team were presented medals.

The Debating Team

Under the leadership of Captain Duncan Kelly, and Miss Virginia Mixer, coach, the debating team this year completed its fourth undefeated season, by emerging victorious from debates with Brockton High and Providence Technical, both debates on the question, "Resolved, that the United States cease its policy of armed intervention in Central America." The Durfee team upheld the negative of the question in both debates.

This year's squad was composed of Captain, Duncan Kelly, Israel Sarat, Norman Zalkind, Joseph Mansfield, Ellsworth Matteson, and Francis Finneran, the first three being members of the regular team.

The Commercial Club

WILLIAM CHISHOLM, *Faculty Advisor*

Under the able guidance of its faculty advisor, William J. Chisholm, the Commercial Club, led by Lillian Patten, has experienced a most successful year.

This club in its six years of existence has become an important part of the school's social life and is now established as one of the largest and most successful in the school.

It has been especially active this year, having sponsored besides its annual bazaar, a Valentine Party which was anticipated with great enthusiasm by the student body. The club expended its energy to the utmost in preparing for this event as was plain to be seen by the quality of the entertainment, the decorations and the general good time that everyone enjoyed.

Chaminade Glee Club

ELISABETH BELISLE, *President*
DORA FARLAND, *Vice-President*
JENNIE SAPADIN, *Secretary*
LUCILLE BARRY *Treasurer*

The Chaminade Glee Club has successfully completed another year under the competent leadership of Mr. Howard. Among its important activities, the robed choir, consisting of a group of twenty girls chosen from the organization sang Christmas carols in the corridors at Durfee High School on the day before Christmas recess. This same group gave a Christmas program before the Fall River Rotary Club.

On March 13, the Chaminade Club sponsored a successful joint concert with the orchestra in Temple Hall.

Again the robed choir gave a very satisfactory rendering of carols in the Durfee auditorium during Music Week.

On June 12, the club met and enjoyed an informal banquet, the last function of the girls as members of the 1930 Chaminade Glee Club.

The Durfee Orchestral Club

As in former years, the B. M. C. Durfee Orchestral Club has taken one of the leading places in the school's activities. Due to the great patience and knowledge of leadership of the instructors, Mr. Robert M. Howard and Miss Helen Ladd, the club has progressed rapidly and is known as one of the best high school orchestras in our state.

Not only have the pupils of the school had the opportunity to listen to the results of the weekly rehearsals of the club, but the public also has had a chance to note the progress of the club on such occasions as the joint concert of the Orchestral Club and the Chaminade Club. The club is also greatly appreciated at the Class Day and Graduation Day exercises.

The B. M. C. Durfee Orchestral Club is, therefore, of great benefit both to the school and to the public. The cooperation of the members is appreciated by teachers and students of the school, and it is the wish of the class of 1930 that the success and prosperity of the club will continue in future years.

Home Room Directors

In each home room, both in morning and afternoon sessions, the students have elected two home room directors. In order to be eligible for this office, the student must have a certain grade in his academic work. These directors are the immediate representatives of the student body in the Students Activities Association. Among their numerous duties, the most important is that of recording the attendance each day. Their work has proven most essential and successful. The following are the Senior Home Room Directors of this year:

Football

The Red and Black Eleven of the 1929-'30 season opened its season with great success. "Steve" Nawrocki, a former Durfee High grid star, began his duties as coach and under his training a light and fast squad was developed.

"Hashy" Nerenberg proved a most efficient captain. Three straight victories—West Warwick, Attleboro, and, greatest of all, Fairhaven—gave the school high hopes of the Bristol County Championship. Then, like a thunderbolt from a clear sky, Durfee was dismayed one morning before the contest with the much heralded De La Salle team to learn that "Hashy" was ineligible for playing because of a ruling of the Massachusetts High School Athletic Association. Thus, without warning on the eve of a great battle, a good captain and an outstanding tackle was lost to the team.

However, after the shock of surprise, the team showed its firm resolve to "carry on" and under its new leader, "Tom" Welch, put up some splendid tussles. The final scores tell very little of the determination to make good, the high grade sportsmanship, and the willingness to give generously of time and energy as representatives of the school in a major sport.

Furthermore, the student body was aroused to a greater interest in the game as the attendance shows both at home and abroad. At the close of the season B. M. C. Durfee High School was the gainer in sportsmanship and finance.

*Home Games

Senior Members of the Team were:

Captain "Tom" Welch Durfee's one and only—he never lost his pluck and was always ready to add to the score.

"Jack" Tierney For versatility and dash on both offense and defense there is none equal.

"Bill" Mooney The bigger the crowd, the fiercer the fray, the more our dashing quarterback's belligerent soul reveled in combat.

"Wes" Read Whatever way the tide of battle turned, his cheery good-nature was always there.

"Cletie" Curran A convincing proof of "power of mind over matter." What did he care for a broken bone or two?

Mark Sullivan What a tackle this boy made; a guaranteed cure for the blues.

"Red" Kerrigan The only Durfee man on the "All County" Team. How he could go through center!

Emile Audette A fine example of "stick-to-it-iveness" and a tackle hard to beat.

"Vic" Urban The center of many a lively skirmish and a man to be relied upon.

"Joe" Biastoff A good man anywhere on the line.

"Jack" Smith He was always on his toes waiting for a chance to advance upon the enemy.

Other seniors who deserve special mention are: "Harry" Robinson, "Jim" O'Gara, "Jack" Monsour, "Charlie" Malone, "Chris" Young, "Bill" Manning, and Max Lifrak.

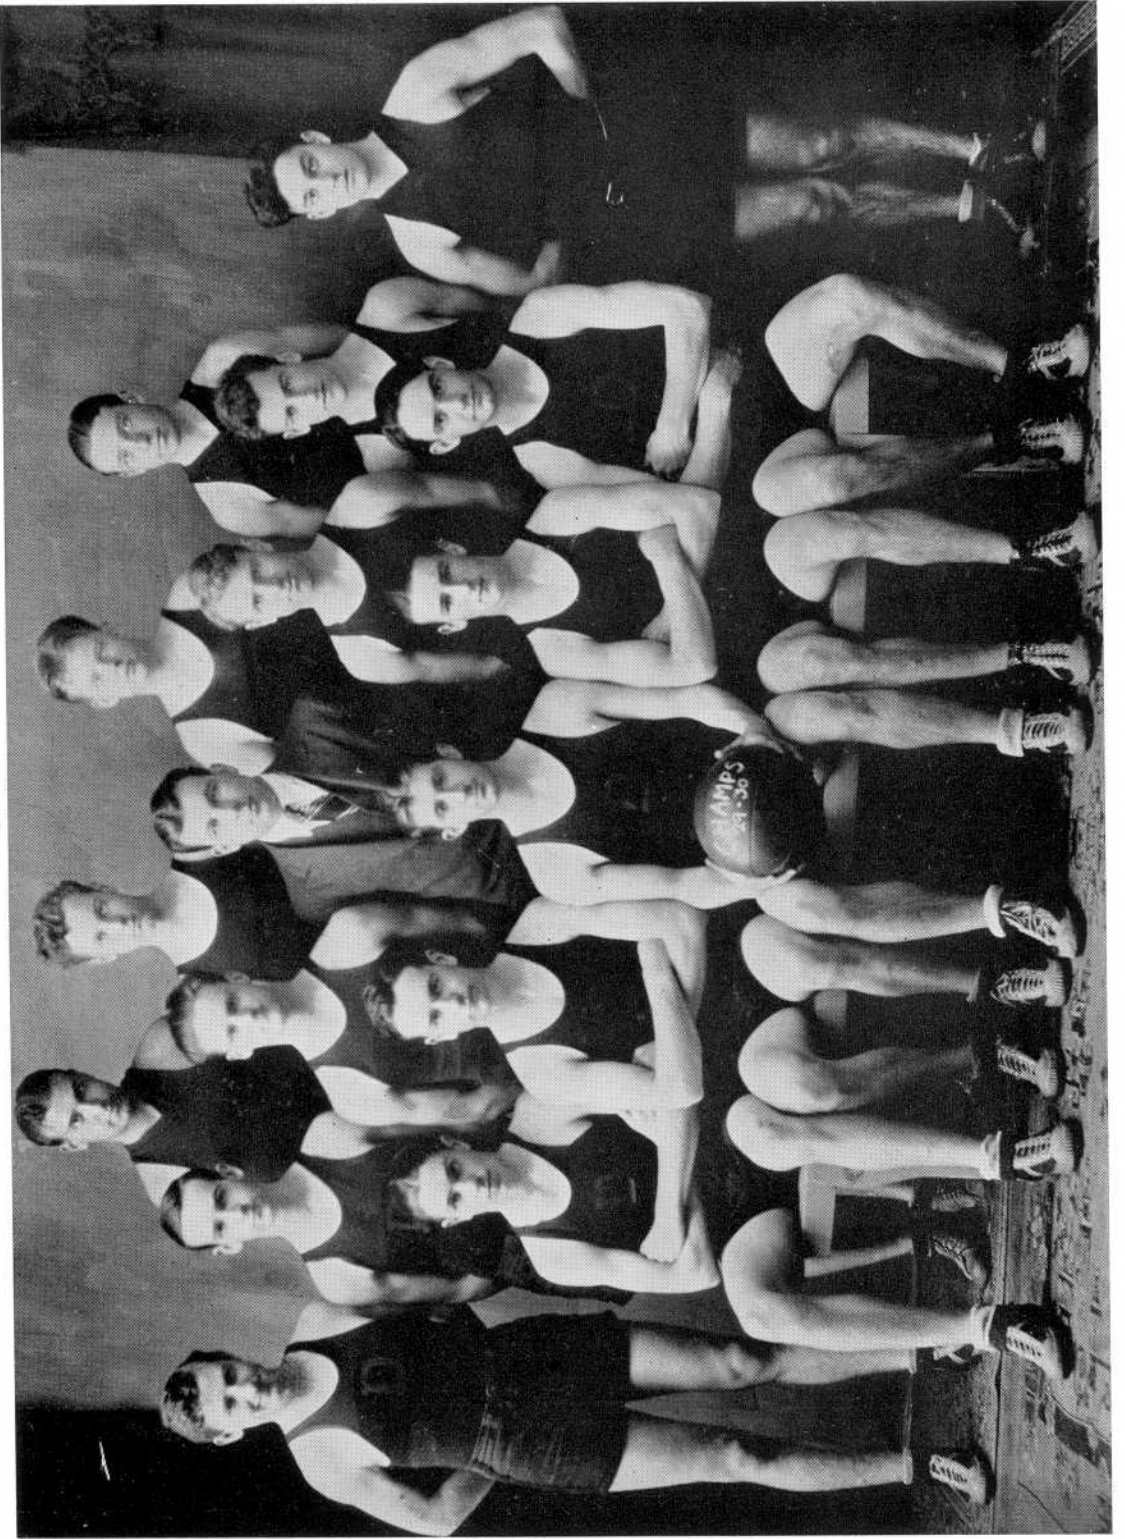

Boys' Tennis Team

During the closing days of April the tennis team opened its season under the able leadership of Coach Joseph Carroll. A great increase in interest was aroused, due undoubtedly from the results of a fall tournament opened to all students of Durfee, for sixty players enlisted for the tournament. After tennis had been the talk of the school for several weeks "Amby" Murray and Rene Barrette were found to be the outstanding stars of the school. However, in the final round Barrett proved to be too clever and strong for his worthy opponent. As a result Barrette was named to lead the team the following spring.

The following spring tryouts were given to the players who had fought their way to the quarter-finals. They were such players as: Charles Hadley, Chester McGuire, Alfred Machado, Frank Glynn, Manuel Ferreira, J. Fienberg.

At the time this book went to press the team has defeated both Taunton and New Bedford Vocational. Its first defeat was at the hands of New Bedford High, the score being 3-2. The spirit and hard work of the boys and coach makes the outlook bright.

The remaining teams to be played are Attleboro, Taunton, Fairhaven, New Bedford Vocational, New Bedford High, Attleboro, Fairhaven.

Basketball

There never was such a team—no, never! This was the proud verdict of every follower of the Red and Black at the close of the basketball season.

Under Coach Nawrocki, a former Durfee basketball captain, from the initial game on Christmas night to the grand finale on March 9, the team day by day in every way steadily grew better and better. In consistent team-work, clever pass-work, and cool defense tactics the 1930 hoopmen were unsurpassed.

The close of the schedule found the Bristol County League with a triple tie, when New Bedford High, New Bedford Vocational and Durfee were claimants for the championship.

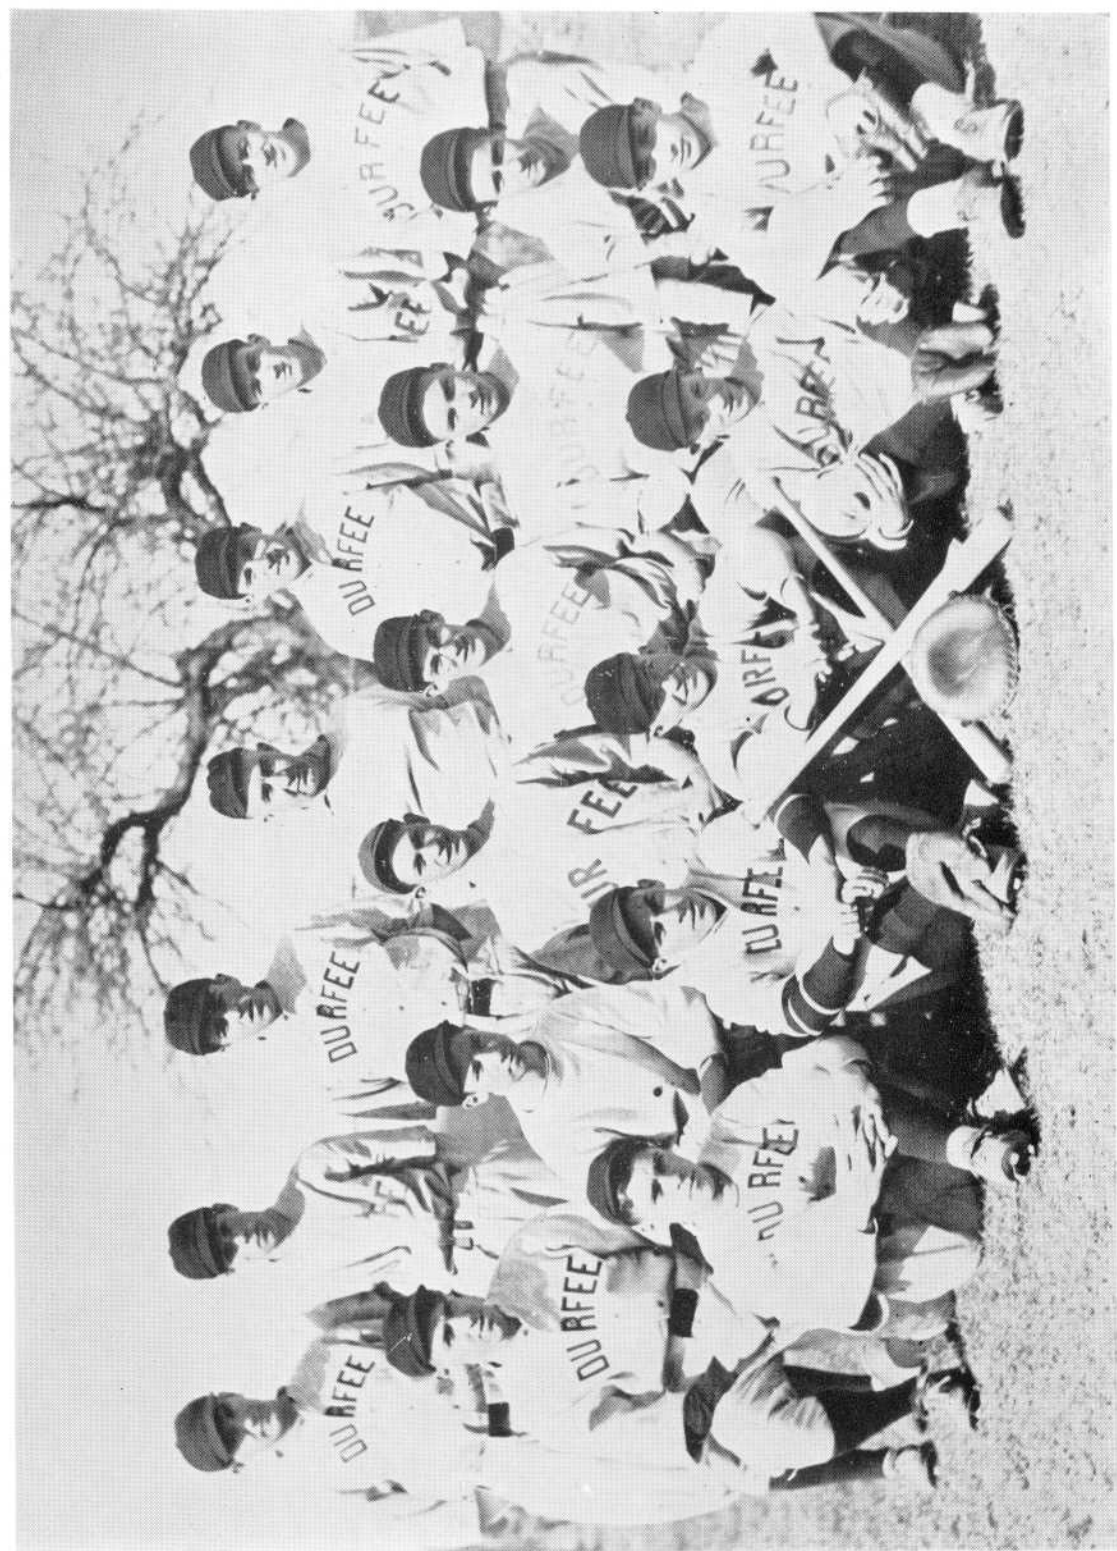

The authorities decided to award the title by a play-off series. Consequently, on March 5 on the neutral floor of the Bristol Arena, New Bedford, the Hilltoppers, in a bitterly contested and thrilling game, eliminated the Crimson Whalers, 17-15.

On March 9 at the same place, the Vocational Team met defeat 21-13. As the result of this victory, the crown was, deservedly and becomingly, won by the Red and Black.

As winner of the county pennant, the Durfee Team, under the capable leadership of Captain Coughlin, entered the basketball tourney sponsored by M. I. T. at the Hangar gymnasium, Boston. In the first round of the tournament Durfee went down fighting, losing to the fast-traveling Brockton team. The game was close and hard fought.

Captain Coughlin and his mates deserve great praise for the splendid work against a much heavier and taller team.

Baseball

Under the leadership of Coach Leslie Orcutt and Captain Duncan Kelly, a fighting Durfee baseball team has got off to a splendid start, taking its first five games in a row.

The Red and Black began by defeating East Providence 4 to 3 in a game marked by the hurling of "Jack" Wogan.

The second victim was the highly-touted St. George Preparatory School aggregation, which fell easy prey to our boys, 10 to 2.

Fairhaven offered weak opposition, Durfee winning 17 to 7.

New Bedford Vocational, too, proved no match for Coach Orcutt's charges, the score being 11 to 4.

Taunton offered stiffer opposition, but a fighting Durfee team overcame a two run lead in the last of the ninth and won out 7 to 6 on "Bill" Hacking's single with the bases loaded.

Members of the class of 1930 who helped make the team a success are:

Captain Duncan Kelly, whose hitting, fielding, and fighting spirit have featured all the games.

"Tom" Welch, our brainy, hard working, hard hitting catcher.

Jack Wogan, whose twirling won the first two games.

John Grady, whose work both at bat and afield has been of sensational order.

"Amby" Coughlin, our sensational third baseman with the bullet-like peg.

"Ambie" Murray, outfielder and pitcher, a natural athlete who has starred in every game.

"Jim" Nannery, southpaw hitter, a veteran player who has done much to steady the team.

"Jack" Murray, substitute infielder, whose peppery play has put much spirit in the team.

Track

Generally rated as only a minor sport, but in the eyes of one of the participants or followers, a sport which requires probably the greatest amount of time, study and practice.

In many sports one excels in only one position, but a good trackman, who keeps all training rules, may stand out in a number of positions. A dash man can run the century and furlong besides being a reliable runner on a relay team. While one who may not have a pair of speedy legs, would fit in well in the field events, throwing the discus, shot and javelin.

Keeping training rules is very essential. The body needs to be in the best physical condition and one cannot obtain this condition by going out all hours of the night.

At the time this book went to press, Durfee had had no meets with rival schools, but it looks as if this is our turn to shine and show that the track team is deserving of better support. This writer predicts that Durfee will be among the leading teams when the final score of the Bristol County Interscholastical Track Meet is announced.

An interclass meet was held at the North Park, the Seniors taking first place, the Juniors second, and the Sophomores third.

The senior aspirants who showed great skill and landed points for Dear Old Durfee are:— "Jimmie" Ainsworth, "Jimmie" Watson, Half Mile; "Bill" Gardner, 440 and 220 yd; Pacheco, "Vin" Mannion, 100 yd. and Hurdles; "Em" Audette, "Jack" Tierney, "Red" Kerrigan, "Cletie" Curran, Shot Put, Discus and Javelin; Francis Finneran, "Dunc" Kelly, Pole Vault; Leo Curran, Pacheco, "Vin" Mannion, High Jump and Broad Jump.

Girls' Tennis Team

Not since the disastrous Tech fire of '27 have the girls at Durfee had an opportunity to engage in any kind of sport, but this spring, under the leadership of Miss Alice Langford of the Latin Department, a Girls' Tennis Tournament was inaugurated. Naturally, because of the long inactivity of girls in sports, the tournament was received with much enthusiasm, both among the participants and the student body. The boys, particularly, who have for so long held a monopoly in the athletics of the school, have taken a very kindly and superior interest.

Alice Sherry, Virginia Chace, Frances Anyon, Hannah Waring, Jennie Sapadin, Mary Edwards, and Beatrice Parker are the seniors who competed.

In the late spring, a mixed doubles tournament was held. The members of the Boys' Tennis Team chose their partners from among the more prominent of the girl players. This resulted in some very exciting matches.

Everyone concerned are agreed that the tennis tournament was a happy idea. It has given to the girls an interest in the outside activities of the school which will contribute many memories to them in the future.

No one ever reads the jokes in the Record Book. There are laughs enough in the pictures on the preceding pages.
