# RECORD BOOK

B. M. C. DURFEE  
HIGH SCHOOL

1946

The logo features a red five-pointed star at the top center. Below the star are two horizontal wings extending to the left and right. Underneath the wings, the letters "bmca" are written in a stylized, lowercase font. Below the letters is a shield with three vertical stripes. The words "HONOR" and "ROLL" are written in a large, red, serif font, arched over the shield.

# HONOR ROLL

The Class of 1946 has the distinction of being the first class in five years to go forth from school into a world at peace. Yet it goes not forth with ranks unbroken or with numbers intact, for 64 of its members are serving in the Armed Forces of our country.

The following comprise the Roll of Honor of the Class of 1946:

Aguiar, John V.	Higgins, William

We  
honor

WILLIAM S. LYNCH  
*Superintendent of Schools*

At the beginning of its senior year, the Class of 1946 had the privilege of assisting in the welcome to Mr. William S. Lynch, Durfee alumnus and distinguished educator who had been called back to his native city to administer the affairs of its School Department. To him we wish continued success in the all-important field to which he is devoting his talents and energy.

We  
honor

CHARLES V. CARROLL  
*Principal*

Although our closest associates throughout our years at Durfee have been our classmates and our teachers, in all school activities we have been ever conscious of the guiding influence of our principal, Mr. Charles V. Carroll. We take this means of expressing to him our sincere appreciation of his interest in our welfare. We honor him for the qualities of leadership he manifests as Principal of B. M. C. Durfee High School.

*Charles V. Carroll*

# DEDICATION

To Miss Katherine L. Hogan, devoted teacher, kind friend,  
and wise counsellor of the Senior Class, we, the members of  
the Class of 1946, dedicate this book.

The Student Council, as the governing body of the Student Activities Association, has conducted, for the first time in several years, a program free from war-time restrictions. In addition to the usual school program, the council initiated a Victory Dance, aided in the Eighth Victory Loan Drive, and held a convention of the Southeastern Conference of Student Councils.

Outstanding among the events of the year were the Pigskin Hop, which broke all attendance records; the Football Banquet, and the Officers' Banquet. We have also welcomed into the Activities Curriculum a new club, The Pep Band, bringing the total number of extra curricular clubs to twenty.

Advisors: Miss Mary Lee, Miss Anne L. O'Neil, Mr. James F. Conlin.

At the beginning of the school year, elections are held in each home room and pupils choose a boy and a girl to represent them in the Home Room Directors organization, an active and diligent group under the supervision of Miss Mildred V. Carroll.

This organization, the largest elective group in the school, holds meetings during school time to make suggestions and outline duties. These duties of the directors are numerous. In the home rooms, during morning exercises, the directors take attendance, read bulletins and assist the teacher in the general routine.

This year the directors were active in the Red Cross drive, the weekly sale of War Bonds and Stamps, and the sale of pencils for the Anti-Tuberculosis Society. The directors feel that their organization is a vital part of Durfee activities and that it is functioning effectively.

June, 1946, brings to a close one of the busiest years in the history of the Durfee Band. The organization began its activities in good form at the football games and furnished the music at all the home games. Because of the lack of transportation facilities, the organization was unable to attend most of the out-of-town games; it did manage, however, to get to the games at Taunton and New Bedford.

The Band represented our school in the Armistice Day, the Memorial Day and the Victory Day parades, and because of the quality of its work was invited by Mr. William S. Canning to meet the War Bond Cavalcade which came to Fall River.

After the football season the band worked on concert music and later in the year played at two concerts, one on May 22 in conjunction with the Boys' Glee Club, and the second at its annual concert at South Park in June.

Highlight of the Band's year was the performance at the Massachusetts State Music Festival on May 11. This was the first time the Durfee band participated in this event.

The Durfee Camera Club, in completing another year of extra-curricular activities, has accomplished interesting and educational advancement.

The members have been addressed by professional speakers. Contests were held to develop improved picture taking. Social activity was begun by the holding of the first annual dance for members and their friends.

The officers feel duly repaid by the effort and cooperation of the members and pleased with the results accomplished.

The Chorus presented its first concert of the year 1945-1946 at the Durfee Theatre at the annual convention of the Bristol County Teachers' Association.

At Christmas, the choristers marched through the corridors of the Durfee and Technical buildings singing the traditional Christmas carols. The Christmas Concert, presented for the first time this year, proved so successful that it will become an annual event in the musical calendar of the Chorus.

In April, the Gilbert and Sullivan operetta, "Trial by Jury," was presented before the semi-annual convention of Student Councils of Southeastern Massachusetts.

The month of May was marked by the appearance of the Chorus at the Massachusetts State Musical Festival, held at Needham. The Boys' Glee Club also presented its annual concert in this month.

In June, the group makes its final appearance of the year at the annual Founder's Day exercises commemorating the memory of the founding of B. M. C. Durfee High School.

The Commercial Club is one of the largest clubs in the B. M. C. Durfee High School organization.

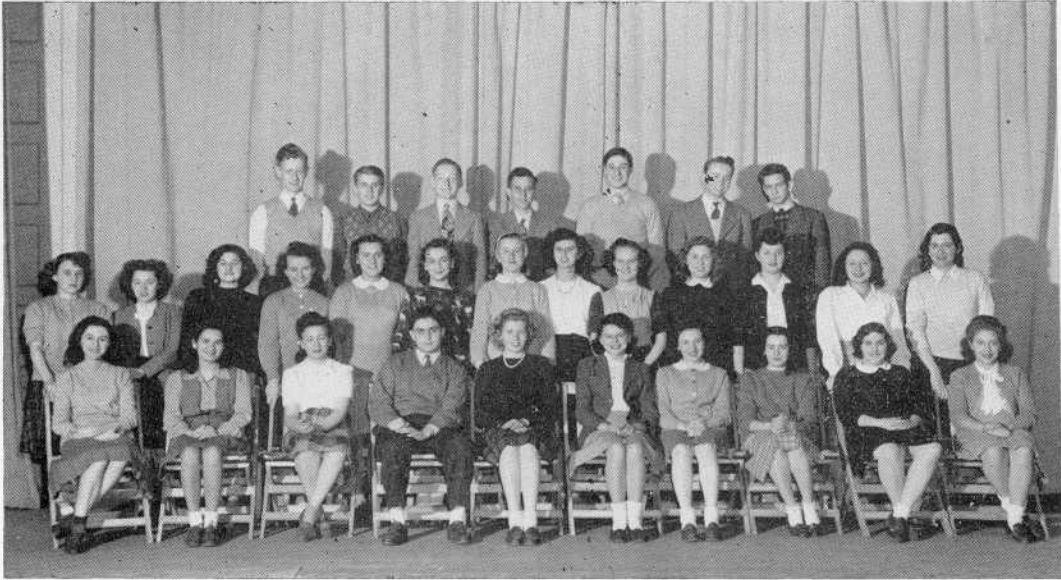

The purpose of this club is to arouse the interest of all commercial students in business, social and charitable activities.

During the past year, we have had several business and social meetings. Inspirational talks by prominent business men and women were given. A "Get Acquainted" party was held just before Christmas, at which both the Commercial faculty and students of the club had the opportunity to meet on a more intimate basis.

The Speed Typewriting Contest held under the auspices of this club was held in early March, at which prizes were given.

The Valentine Dance was a success, and will long be remembered. The roller skating party left pleasant memories. Commercial Award Day sponsored by our club was devoted to the presentation of special awards in Commercial subjects to those whose achievements were beyond average.

For the first time since the beginning of the war, the annual picnic was revived. This concluded the year's activities of the club. All in all, the club, for the past year has been successful, due to the interest and efforts on the part of our conscientious officers.

The Durfee Debating Society undertook an ambitious program for the year and completed it with signal honor.

The program committee arranged discussions and club debates, and invited speakers to address the group on various occasions. Among the speakers were Lieutenant Commander Sumner Levin, former Durfee debater; Attorney William Entin, Dr. Albert Resnick, former Durfee debater, and former Lieutenant Thomas Doran, member of the faculty.

The debating team, selected from the club membership, had a successful year. The Durfee debaters were honored by being selected to the chairmanship of the Narragansett Interscholastic Debating League. The season opened in November and the affirmative team composed of Rosalyne Spindel and Ernest Picard lost to the Hope High School debating team. The negative team, which saw Ralph Dupont debating through the season, also had Claire Gauthier, Ruth Rockliffe, Gilbert Levin, and David Hanley participating in one debate apiece. The negative team tied Rogers, then went on to score convincing victories over the Aldrich debaters and Hope High debaters, but lost to the Classical debaters in the championship debate. The affirmative team scored victories over the Aldrich debaters, the Classical debaters, and the Rogers debaters.

In April the Society enjoyed the dinner held jointly by the speech organizations, the Dramatic Club, the Speakers Bureau, and the Debating Society. Activities of the society ended in June.

The set of rules by which the school is governed is left to the School Committee and the various courses of instruction to the faculty—but the appearance, beauty and sanitation of Durfee are placed in the hands of the students, through their Health Club.

The Health Club, a sophomore organization, is designed to promote health and sanitation throughout Durfee by making students cleanliness-conscious. This objective is reached by the club's setting forth a stable, beneficial, extensive set of rules popularly known as the Sanco Rules, and sponsoring projects dealing with the theme, "Keep your school clean."

The officers conducted one of the most successful cleanliness campaigns Durfee has experienced. Attractive posters were placed in the study halls, classrooms, corridors, and cafeterias, appropriate health slogans were written on blackboards, snappy bulletins were read in home rooms each morning, and a Friday-morning-check-up of home room desks was undertaken; all served as active reminders to pupils to do their part in keeping Durfee clean.

In the spring, a skit was presented by the officers of the club in which a summary of the activities of the club for that particular year was given. Students were actually cleanliness-conscious and as a result, Durfee was "neat as a pin."

Ladies and Gentlemen:

Welcome to the Revue of 1945-46. We present the D. D. C. Players in a program of talent, music and laughter.

First come the clowns in varied costumes, singing and enacting the words of popular tunes. The best individuals will receive prizes. There is plenty of cider for all, as well as doughnuts, for this is Hallowe'en. Music, Maestro!

Our next number is four original biographies. You will see Hitler, Mac-Arthur, Roosevelt, and Louisa May Alcott in dramatic moments of their careers. Let's give a good, big hand for the famous quartet.

A short sketch about a returned soldier will next be given to remind you all that our boys and our government still need our support. Buy more bonds!

Now a Pennsylvania Dutch troupe has come to present their folk comedy, "PAPA IS ALL." Patrons may hiss the villain, Papa.

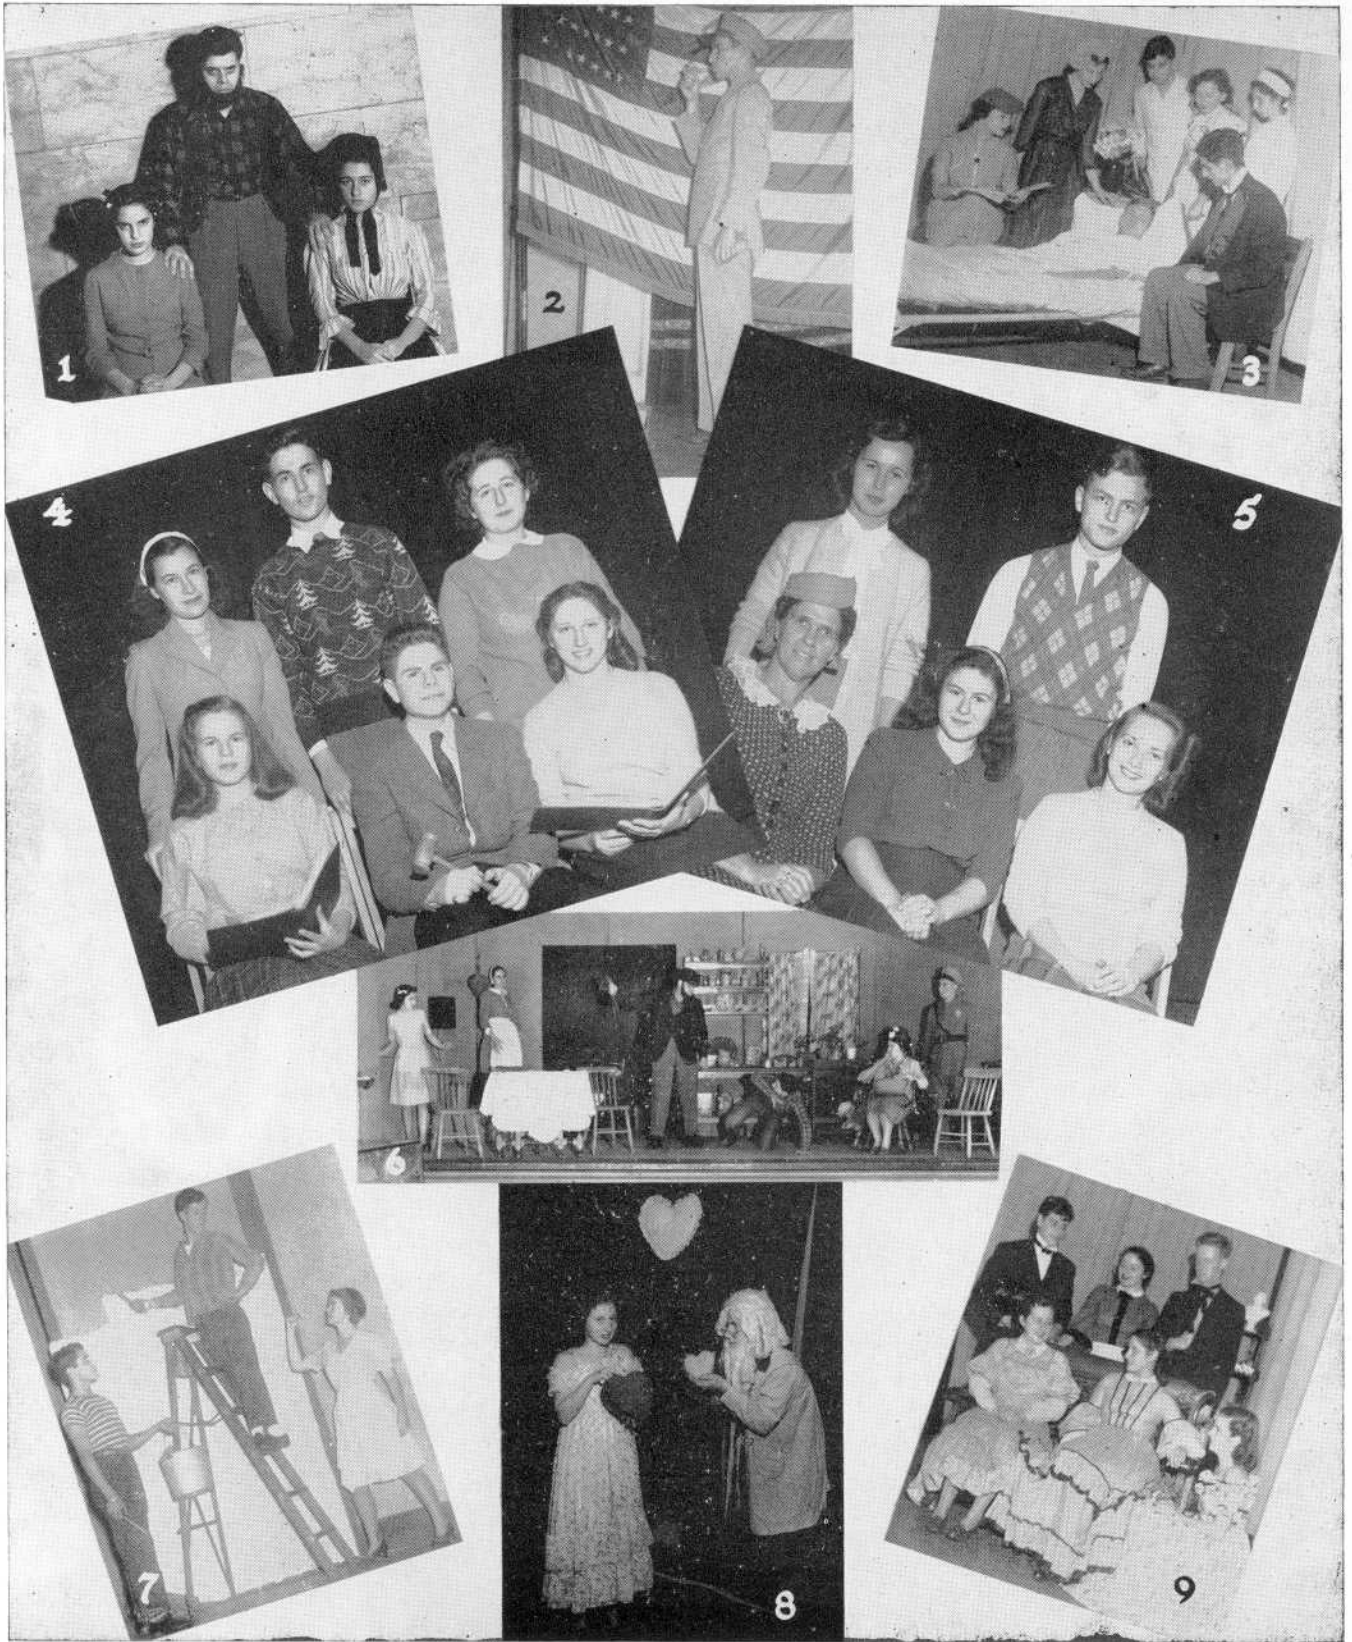

The management regrets to announce that though we have purchased a beautiful blue sky for our shows, the new fire laws prevent its use. So sharpen your imaginations and picture gorgeous scenery for NOVELTY NITE, our annual star show of twenty numbers. The most popular man in the audience will be dubbed SIR NOVELTY KNIGHT. Give the good sport a hand!

George Kaufman, the famous playwright, has given us permission to perform for you a half hour of his comedy, "A BEGGER ON HORSEBACK." Later our troupe of actors will take this play on the road for the Massachusetts and New England Drama Festivals. Wish them luck!

At the close of this evening's performance those who have shown the most talent and "what it takes" will be honored by membership in the NATIONAL THESPIANS.

We hope you have enjoyed our efforts, and so, good night all!

The Durfee Hilltop, published weekly by the members of the Journalism classes, proudly observed the twenty-fifth anniversary of its founding this year.

The Hilltop first came from the press in May, 1921, in the form of a literary magazine. Within a few years, interest had so increased that Journalism was added to the school's curriculum and the magazine, published at irregular intervals, became a weekly student newspaper.

Through the years the Hilltop has been valuable in giving the pupils the type of paper they enjoy, in publicizing school activities, and in offering Journalism students practical experience in writing and editing a newspaper.

The Hilltop is a member of the National Scholastic Press Association.

This year the Durfee Literary Club, under the leadership of its officers and faculty advisor, has continued its usual activities. Poetic compositions were more numerous than essays and short stories. Members took considerable pleasure also in composing a basketball song at the request of the Pep Band.

General and individual criticism were encouraged under the supervision of the faculty advisor.

## Library Aids

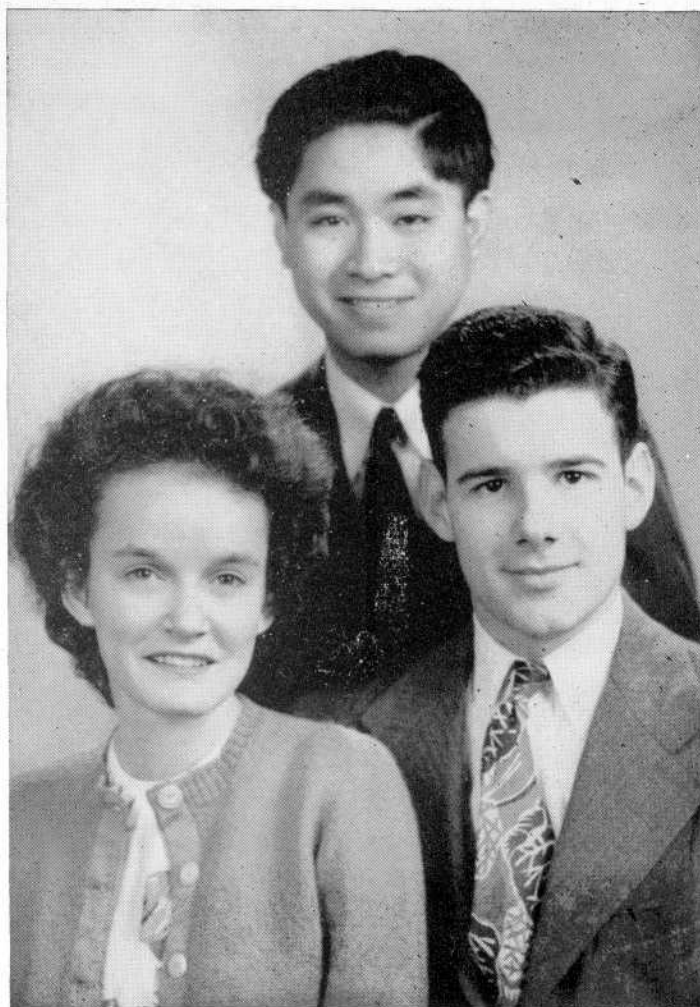

This honor society, under the direction of Miss Marion Kernan, is one of the most active clubs of the school. Its members are chosen from the upper three classes not only on the basis of scholarship but also for cooperation and general usefulness.

The Library Aids have many duties. Some of them are to issue passes to those students who wish to visit the Library during their study periods; to deliver these passes to the study halls; to keep the books on the shelves arranged according to the Dewey Decimal System; to receive and check books; and to assist pupils and teachers in any way they can.

However, this organization does not adhere to the saying, "All work and no play". The annual Library Aids' Christmas Party, which was combined, this year, with the Science Club, was listed as one of the most joyous ones of the Yuletide Season. Because of the great success of this festivity, both clubs gathered together once more at a Valentine Party.

The complete list of Library Aids from September 1945 to June 1946 is as follows: Samuel S. Attar, Gerald A. Audette, Louise A. Castonguay, Dimas Costa, Tung Yim Chin, Isabelle E. Clemmy, Ralph P. Dupont, Marjorie J. Edwards, Esther Fich, Marilyn Friedlander, Edward C. Gow, Mildred T. Hurst, Rachel L. Liner, Enid Lipschitz, Vivian Lipschitz, Sheela Mittelman, Elayne Norwick, Cecilia C. Oliveira, Grace Peterson, Ernest K. Picard, Irene Posey, Rosemary F. Ready, Alice Relvas, Joan E. Robillard, Bernice A. Roszkowicz, Mary Louise Shea, Frederick W. Sullivan Jr., D. Elaine Walmsley.

Membership in this organization is granted to students who show outstanding qualities in Scholarship, Service, Leadership and Character.

Scholarship is interpreted as an indication of distinguished achievement in all school subjects, high mental ability, serious application, and membership in the upper twenty-five per cent of the junior or senior class.

Service is interpreted as a willingness to contribute and aid cheerfully and unselfishly, either as an individual or as a member of a group, in promoting the high standards and fine achievements of the school, together with readiness to serve class or school at all times.

Leadership is interpreted as a demonstration of initiative, poise and intelligent activity in classrooms and in school organizations, successfully holding student positions of responsibility, exercising a sympathetic understanding of conditions, and commanding the respect and admiration of the student body.

Character is interpreted as a continuous manifestation of the fundamental qualities necessary for the finest young manhood or womanhood, particularly promptness, honesty, cooperation, reliability, sincerity of purpose, courtesy, respect, reverence and morality.

The Orchestra, numbering fifty members, has enjoyed a busy year, playing at concerts, assemblies, Dramatic Club performances, and Class Day and Commencement exercises.

In December, the Orchestra presented a Christmas Concert featuring the familiar carols as well as Christmas music of the United Nations.

The organization played incidental music for the Dramatic Club's presentation of "Papa Is All" in January.

Late in April the Orchestra and the Chorus gave a concert of test pieces which were to be played at the Massachusetts State Music Festival at Needham—a competition, incidentally, in which Durfee's musicians gave an excellent performance. Also on the program that evening was the popular Gilbert and Sullivan Operetta, "Trial by Jury," staged with the assistance of Miss Barbara Wellington and the Dramatic Club.

The organization concluded its activities for the year by assisting the Seniors in their observance of Class Day and Commencement.

The Science Club is an organization the fundamental purpose of which is to prepare student for the annual Westinghouse scholarship examinations.

All juniors and seniors who pursue mathematical and scientific courses are eligible for membership.

The meetings consist of demonstrations by club members or by visiting scientists. During the spring, attention is focused on scientific activities outside the school, such as the Science Convention of Hope High School, Providence.

In its third year of existence, the Speakers' Bureau has publicized school campaigns and activities. This organization serves a two-fold purpose. First, it acquaints the students with extra-curricular activities. Second, it gives its members valuable experience in speaking before groups.

The speeches given as of March 11 are: one to promote the S. A. A. membership drive; two to promote the sale of bonds and stamps during the Victory Loan; one advertising the Dramatic Club Matinee; one advertising the Christmas Music program of the music department; one which advertised both *Papa Is All* and the Commercial Club Valentine dance, and two speeches advertising the presentation of *Romeo and Juliet*, plus additional visits to the home rooms for the purpose of selling tickets.

The Speakers' Bureau is an organization of seniors chosen for their speaking ability. Public speaking and debating teachers select these pupils when they are juniors and they become active members in their senior year.

Miss Elizabeth L. Leonard is the faculty advisor of this group which was instituted by Miss Mary Lee.

## War Bond Cashiers

This organization was initiated shortly before the entry of the United States into World War II for the sole purpose of selling War Bonds and Stamps to the students of Durfee High School.

While serving throughout the eight War Bond campaigns, this organization sold Stamps and Bonds every Tuesday during the year. Over a million dollars was handled without the loss of a single penny.

Through the efforts of this organization, Durfee High School received several citations from the United States Treasury Department.

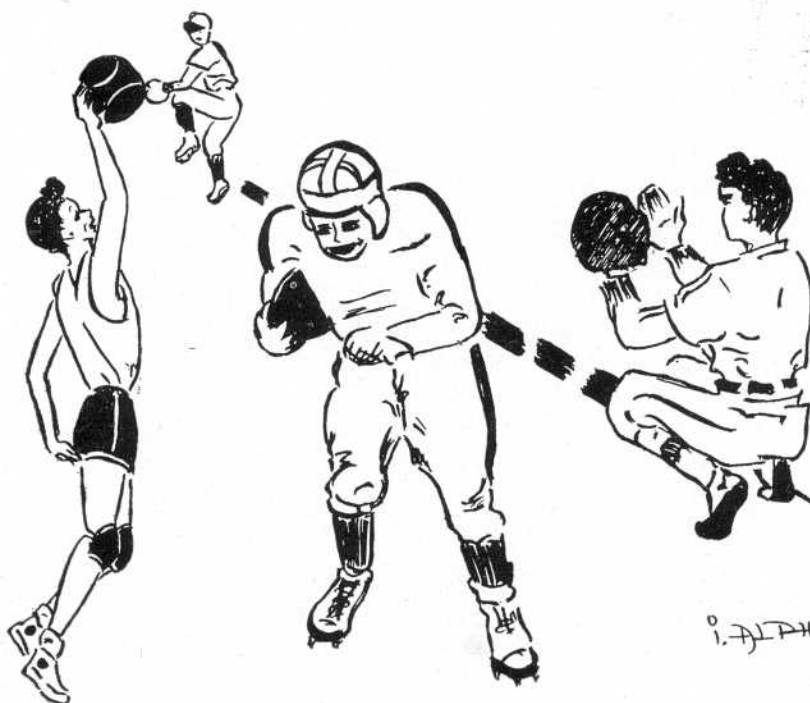

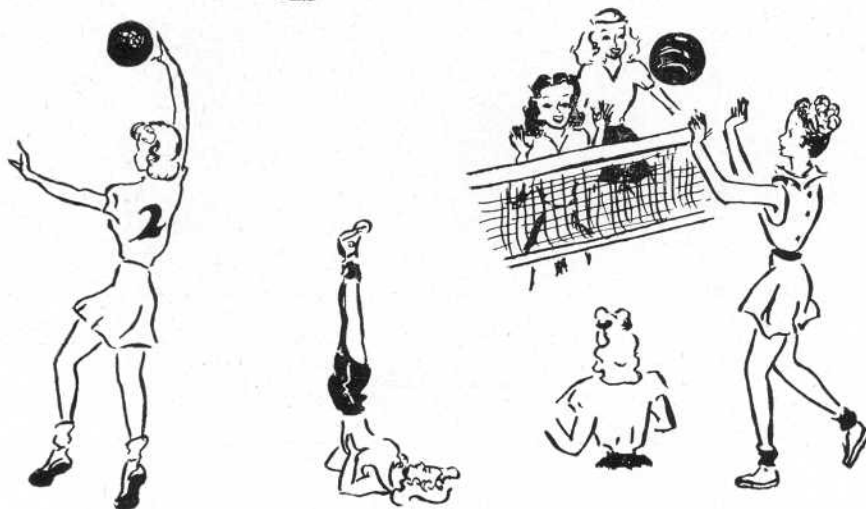

The Stamp and Bond Cashiers have assisted several community agencies during the War, such as the Fall River Rationing Board, the Fall River Civic Music Association, the Red Cross, and others.

Since the cessation of hostilities, and although the sales of Stamps and Bonds have dwindled appreciably, the cashiers have continued their duties, and will continue them as long as Durfee High students desire to purchase stamps and bonds.

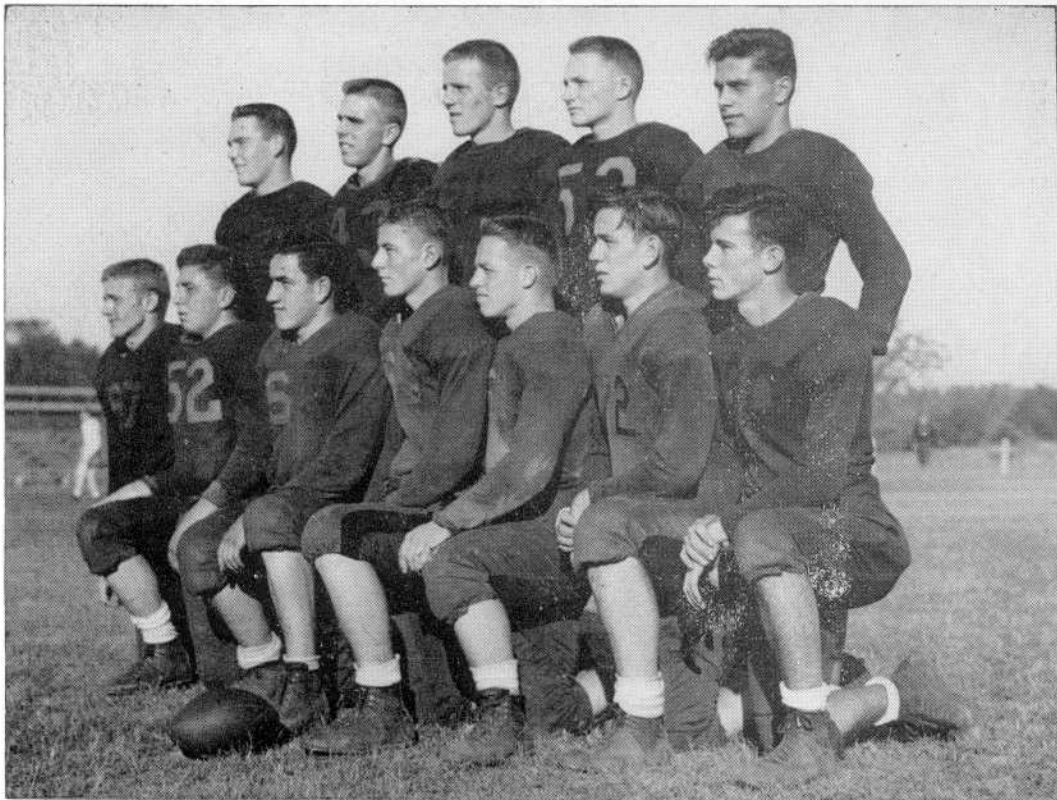

The organization is under the direction of George C. Hoar, Director of Commercial Department, assisted by Miss Anne L. O'Neil, teacher of accounting.

The following served as cashiers for 1945-1946: Gloria Feldman, Muriel Girard, Lorraine Furtado, Marjorie Gillett, Blanche Cholette, Marilyn Veloza, Rita McDonald, Helen Peckham and Dorothy Oliveira.

For the second straight year a powerful Durfee football team climaxed its season with a victory over the New Bedford High School team.

Paced by three all-Bristol stars, Sal Petrillo, Johnny Long, and Joe Wrobleski, Durfee footballers had a very successful season with seven wins and three defeats.

After a shaky start, losing three out of the first four games, the team rolled into the victory column with six straight victories.

The first two games were lost to two powerful Rhode Island teams, East Providence, 7-0, and Providence Central, 6-0. Then Rogers High was beaten, 13-7, and on Columbus Day on a rain-soaked field Durfee was beaten by New Bedford 14-7. After this defeat the team started to roll: Attleboro was beaten 7-6; Taunton and North Attleboro fell, 9-6 and 6-0, respectively. Undefeated Coyle High was overwhelmed 26-12 and New Bedford Vocational proved little match for the Red and Black and was trounced, 24-6. Then before a capacity crowd, Durfee played its hardest game of the season and defeated a powerful New Bedford team, 13-12.

The varsity was composed mostly of seniors, with Almond re, Co-Captain Long rt, Wrobleski rg, Gajoli c, Marzilli lg, Carberry lt, Mello le, Co-Captain Arnold rhb, Petrillo hb, Gardella qb, and Smith and O'Neil alternating at fullback.

Other outstanding seniors were Norm Ross, Bob Jenkins, Bob Deane, John Mendes and Edmond Bridge.

Henry Noga, Ray Cabral, "Moe" Wallwork, and Ed King also played prominent roles in the success of the 1945 Durfee football team.

LOUIS J. URBAN

Another hard-fighting Durfee team was invited to participate this year in the Eastern Massachusetts Interscholastic Basketball Tournament at Boston Garden. The Hilltoppers played a courageous game, but went down in defeat before a great Brockton High School quintet, 33-27.

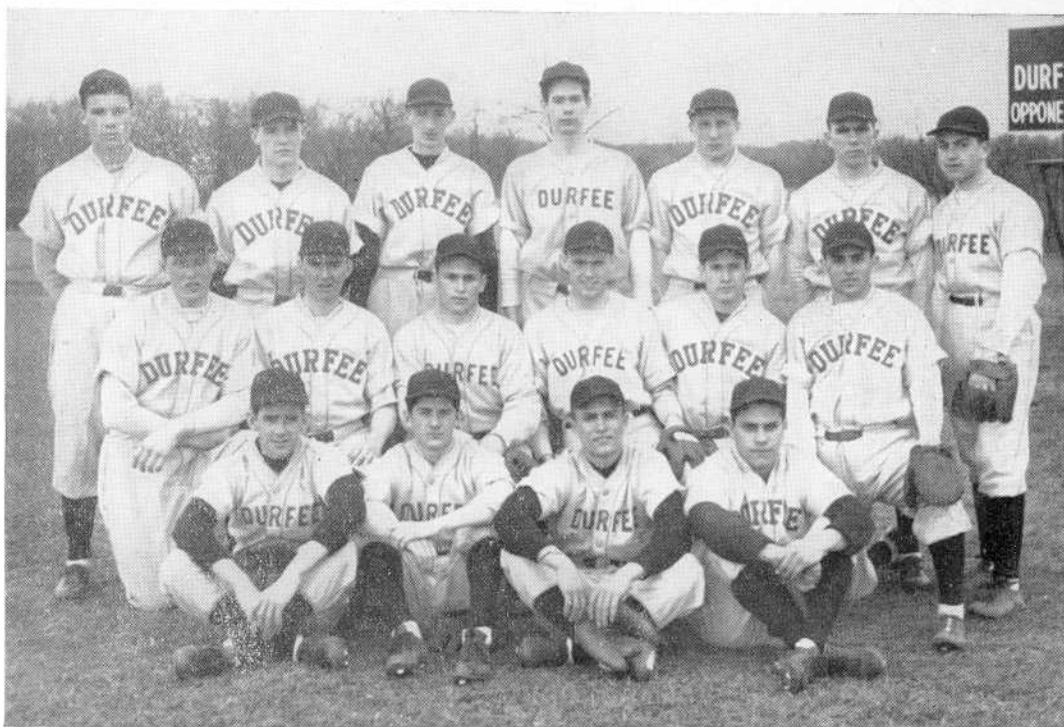

During the regular season Durfee came through with an eight and five record, winning the last seven games in a row.

The starting lineup included Co-Captain Bob Gardella and Sal Petrillo at the guard posts, Dan Darcy and Owen Dunne at the forward positions and Henry Noga at center. Other outstanding players who saw service were Stan Sincoski, Dick Sample, Shay Lynch, Pete Lynn, Jackie Brenner and Jimmie Williamson.

They started the season with a victory over Providence Central, dropped the next four, but bounded back with a 27-20 victory over Coyle. This started a seven-game winning streak and earned for the Hilltoppers an invitation to the tournament.

The most thrilling game of the season was played against New Bedford before a capacity crowd at the Fall River Casino. With the score tied at 27-all, and only twenty seconds left, Owen Dunne sank a shot from mid-court to break the tie and defeat the Whalers—the team that went on to win the Eastern Massachusetts Interscholastic Basketball Tournament.

## Baseball Team

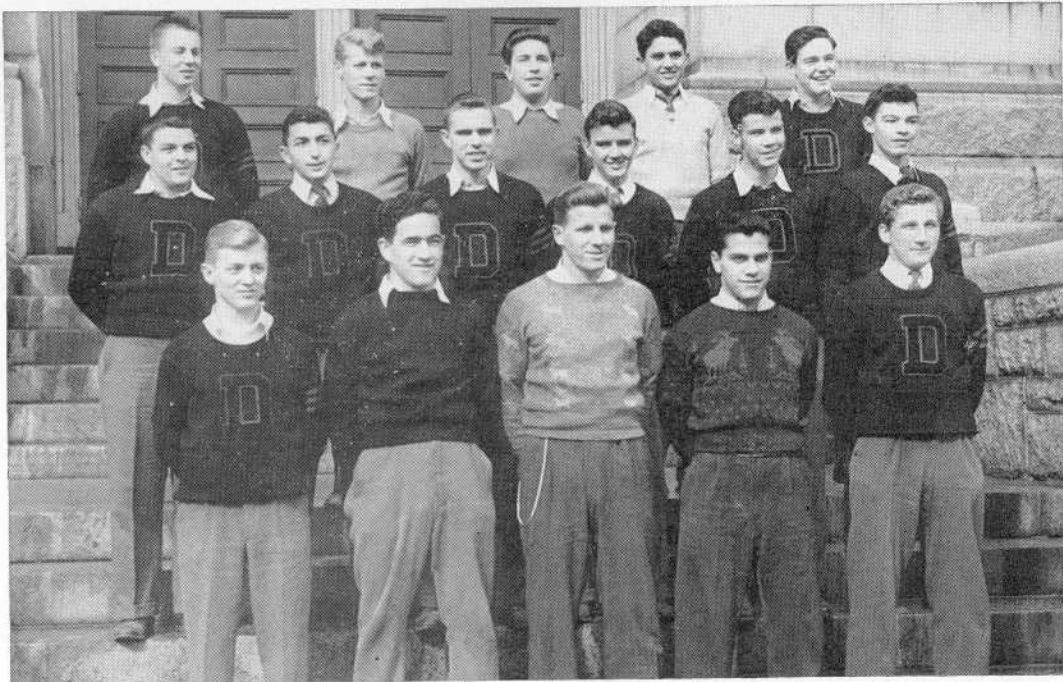

Because the opening of the baseball season comes simultaneously with the deadline for Record Book copy, this record must be confined to a preview of Durfee's 1946 diamond activities.

Cancellation of the opening game with Warren High School because of the poor weather leaves the team with an 11-game schedule, including home-and-home series with New Bedford, New Bedford Vocational, Coyle, Cranston and Taunton, and a single game with Providence Central.

A promising group of players, including seven members of the Class of 1946, has been practicing diligently under the tutelage of Coach Urban and his assistant, Mr. Harrington, and the squad is expected to give a good account of itself.

A probable starting line-up would include Bob Gardella behind the plate, Co-Captain Art Ryan on the mound, Owen Dunne at first base, Jim Smith at second, Henry Noga at short and Jackie Brenner at third, with Co-Captain Bob Mello, Sal Petrillo and Tony Imbriglio or Elton Murphy in the outfield.

Whether or not the feats of the Hilltop diamond team match those of the football and basketball teams, Durfee may claim another marvelous year in athletic accomplishment under Coach Luke Urban, whose devotion, inspiration, and knowledge have been so vital in Durfee's success in recent years.

The Varsity Club, now completing its fourteenth year, is composed of all athletes who have won letters in sports. Under the direction of Coach Urban it has enjoyed a successful year, socially and financially.

One of the highlights of the Club's program is Varsity Night, an annual event sponsored by the club to raise funds for the purchase of sweaters for members and athletic equipment for the gymnasium. The entertainment consists of boxing and wrestling bouts, sports movies, and a vaudeville show, with the school's athletes participating as singers, dancers, and "chorus girls."

Two events in this year's program of activities will remain long in the memories of those who enjoyed them. During the basketball season the group went to Boston Garden to see a doubleheader with college teams participating. The other event was the picnic and outing, which annually climaxes the year for Durfee's athletes.

## The Cheerleaders

*Faculty Advisor*

MISS MARIE V. SHALLOO

These are the girls who lead the crowd at athletic contests in cheering Durfee teams to victory. Attractive in their red and white outfits at football games and their red skirts and black jackets at basketball games, with their spirit and enthusiasm they have played an important part in keeping up the courage of our teams. For the second consecutive year the cheerleaders have also led our cheering section at Boston Garden at the annual Headmaster's Basketball Tournament, in which Durfee participated.

The group consist of eight girls, four seniors and four juniors. All sophomores who have the required marks are eligible for the tryouts held in the spring. Those chosen serve as cheerleaders during their junior and senior years. The squad for the 1945-1946 season was composed of Sheila Kelly, head cheerleader; Pauline Francoeur, Audrey Brush, Jean Poirier, Wanda Ziobro, Barbara Robinson, Claire Gauthier and Claire Coogan.

## Girls Basketball Team

*Captain*

JANICE TATE

*Coach*

VIRGINIA FROST

For the first time since the beginning of girls' varsity inter-scholastic basketball in Durfee, this year's team has played a seven-game schedule, two more than in previous years. The first team is credited with three wins while losing four games and the second team has chalked up a fine record of four wins, one tie, and one loss.

Forwards were: Maxine Thompson, Ruth Bradshaw, Virginia Kelley, Jean McGrady, Betty Hayden, and Annette Chabot. Guards were: Captain Janice Tate, Ruth Taylor, Juliet Morrow, Della Dodsworth, Nancy Wood, and Nancy Carroll.

The record: Alumni 20, Durfee 19; Dartmouth 34, Durfee 40; Durfee 28, Somerset 46; Durfee 23, Westport 12; Durfee 18, Dartmouth 17; Somerset 42, Durfee 27; Westport 19, Durfee 17.

The second team girls will carry on next year and continue their great playing as Durfee's first team. Commendation should go also to Janice Leger, the timer, and Marion Lincoln, the scorer, for their excellent work at each game.

Members of this club offered their services in September when they planned and helped conduct the Freshman Party. Ninth grade girls from other schools in the city met Numeral Club members through the presence of the older girls at the city-wide play days, in which they served as officials. Durfee freshmen played Volleyball under the guidance of Numeral Club members.

Prospective sophomore members were entertained at a get-acquainted party in the gym. One project under club management was a sophomore volleyball tournament. After Christmas, another group successfully ran the basketball tournament, which has become a yearly affair for sophomore girls.

Members' interests in sports were many and varied. Some were gym leaders, others conducted tournaments, while still others officiated at volleyball, soccer, basketball and badminton games. Those interested in socials planned parties, hunts and a yearly outing for the club members.

# Acknowledgements

The staff of the 1946 Record Book is sincerely grateful to all who assisted in producing this publication.

We would mention especially our faculty advisors, Miss Katherine L. Hogan and Mr. John T. Crowley, whose counsel has been invaluable in our effort to give our classmates a Record Book they will always cherish.

Our thanks go to the presidents of student organizations who cooperated with their faculty advisors in furnishing the group photographs and information concerning their activities.

We are grateful to the Fall River Herald News for the excellent photographs of our athletic teams, without which no publication of this type would be complete.

We acknowledge with gratitude the splendid cooperation we have received from photographers, engravers and printers, who have shown understanding of our problems and willingness to assist in their solution.
