**To the Members of the Graduating Class of 1968
of the B. M. C. Durfee High School:**

I extend to you my heartiest congratulations on the occasion of your graduation from the B. M. C. Durfee High School. You have completed a course of study that should have answered the question, "How shall I find the full meaning of life?" We are convinced that your years of schooling have provided you with parts of the answer to that question.

We would now hope that you know something of beauty, of the many ways in which it is revealed and the art of expressing it. We trust that you are sensitive to the world around you, that you are able to feel the wind and to really see the stars and the moon and the trees and to live within this environment. We hope that we have developed in you a sense of aesthetic taste to have a feeling for and about the things in your lives. We want you to be discriminating in artistic and cultural tastes, as well as intellectual.

We hope that now you are able to see yourselves clearly in relation to others. Our purpose has been to train you so that the true Durfee graduate realizes fully that every man, as long as he lives, must make some kind of response to fundamental experiences and must respond to such aspects of his search for the meaning of trust, compassion, authority, discipline, freedom, hope, beauty, truth and love. We have succeeded if, on your graduation day, you know the answer to the question, "How shall I find the full meaning of life?"

Robert J. Nagle

Superintendent of Schools

To the Class of 1968:

Education is hardly ever the pause that refreshes. It is a continuous experience from birth through our lifetime.

The complications of education and the pressures exerted on faculty, students and parents by college boards, and other testing programs have resulted in experiencing various degrees of impatience by everyone. Added to these were the various announcements concerning manner of dress, hair styles and the need to stay awake in the Study Hall.

This was not all bad. If we at Durfee were able to convince you that by conforming to certain rules you would be better able to place things in the proper perspective and be able to determine where you are going and how to get there, then all the griping and criticism was worthwhile. We hope that in addition to giving you a good academic background in subject matter we have also taught you to keep your balance, exercise restraint and respect the feelings of others. In these troubled times we are depending on you to help solve some of our problems and make this a better world.

May I extend my congratulations on your accomplishments and wish you a bright future.

Activities

Robert Rapoza, Barbara St. Laurent, Kathleen Fairhurst, Judy Stafford, Rosemarie Medeiros, Adrienne Jamiel, Janice Costa, Christine Mikolazyk, Patricia Rego, Nancy Ayer, Mary Ann Cunha, Richard Lown.

STUDENTS' ACTIVITIES ASSOCIATION

The Students' Activities Association, the center of all student activities, is the only organization whose membership is open to all students interested in joining. The Student Council, its governing body, attempts to plan extra-curricular activities and to develop school spirit and leadership.

The Student Council is led by President Adrienne Jamiel and Vice-President Rosemarie Medeiros. It also includes the presidents, vice-presidents, secretaries, and councillors of all classes and the president of the home room directors. This year a new tradition began. The head cheerleader and head majorette were made members of the Student Council. This proved to be an excellent addition, since it enabled the SAA to work more effectively in promoting school spirit. Sophomore members of the Student Council were not elected until after the Christmas vacation; therefore, it was impossible to include them in the picture, but they were an important part of the Student Council.

Among the activities sponsored by the SAA were the annual football banquet and the Christmas toy drive for the benefit of an orphan's home. An outstanding success was the Pigskin Hop held at the Dwelly Street Armory.

Faculty advisors are Mrs. Joan T. Carfagno, Mr. John Connell, and Mr. Reginald M. Pelagio. The SAA is grateful for the cooperation of Principal Thomas W. Hammond.

President Lois J. Mattos, Secretary Susan Poirier, and Vice-President-Treasurer Doris Forcier.

BUSINESS CLUB

The Business Club whose membership is composed of seniors and juniors receiving 70 per cent or better in all four- and five-period subjects, was organized to acquaint business students with the opportunities available to them and to show them what is expected of them in the business world.

There were various guest speakers at the meetings held by the club.

In addition to regular meetings, the club sponsors the AMS Spelling and Arithmetic tests, typists for the Record Book, office aides, and secretaries to the heads of departments.

A successful event held this year was a field trip to the John Hancock Insurance Company in Boston and, earlier in the year, a trip to the Aetna Casualty Insurance Company in Fall River. A social affair at which the entire faculty of the Business Education department will be guests will end the schedule for the year.

Miss Katherine L. Hogan, head of the business department, is advisor.

President Richard Lifrak, Secretary-Treasurer Aimee Schwartz, Vice-President Augustine Gonsalves.

CHESS CLUB

The purpose of the Chess Club is to provide for its members the opportunity to improve their chess-playing ability. Members are enabled to compete against other students who share their interest in the game. The players are grouped according to their records in order to insure the matching of people having approximately the same ability. This year, a program has been undertaken to educate the club members who lack the basic theoretical knowledge which is essential to a good player.

A team is formed yearly from the most skillful and conscientious students of the game. This team, consisting of four regular players and two alternates, competes against other teams from Chess Clubs in the area.

Mr. Robert A. Richard is the club advisor.

Barbara St. Laurent, Adrienne Jamiel, Secretary Margaret Oliviera, President Linda Faria, Stephen Texeira, Ann Berryman and David Freedman.

THE CLASSICAL CLUB

The Classical Club was founded in 1955 to promote interest in Latin, Greek, classical civilization, and the extensive heritage of culture which we have derived from these sources. Originally limited to students of A or B standing, the membership was opened in 1966 to all present or former pupils of Latin. Over the years the club has heard outstanding talks on ancient science, medicine, theatres, slavery, pirates, cosmetics, sculpture, and mythology. There have also been talks with slides and movies of Italy, Sicily, and Greece with particular attention to Greek and Roman ruins. Comic sketches and games have livened other meetings.

In 1958, at the suggestion of our former principal, Mr. Ambrose Keeley, who had a special interest in the classics, the club became the annual donor of a Latin medal, for the third-year Latin student who wins a competitive examination. The 1967 recipient was Stephen Wilson.

At intervals of approximately three years the club sets up a corridor display. The members also visit the classical collection of the Boston Museum of Fine Arts every three years.

Present officers of the club are Linda Faria, Consul (President); Susan Keeley, Praetor (Vice-President); Margaret Oliveira, Censor (Secretary); and Stephen Texeira, Curule Aedile (Program Chairman). Lois Avila is a former Praetor and Aedile; David Freedman a quaestor (dues collector and attendance taker). Stephen Wilson and Margaret Oliveira are responsible for this Record Book picture and article. Ann Berryman kept us publicized in the *Durfee Hilltop*. Lois Avila entertained us with a talk on Roman soldiers and David Freedman discussed "Transportation and Communication in Ancient Rome."

President Fredda Shapiro, Vice-President Stephen Weiser, Secretary-Treasurer Gail Packer.

CONTEMPORARY JAZZ SOCIETY

This club is designed to promote interest in and appreciation of modern Jazz. At each monthly meeting selected students presented a program on some aspect of Jazz such as its development in the United States, a particular Jazzist, or the various kinds of Jazz. The club also added new albums to its collection.

The membership is composed of any students having an interest in Jazz.

Faculty advisor is Miss Phyllis Pytel.

Vice-President Jonathan Kates, President Paul Berger, and Secretary-Treasurer Stephen Yoken.

DEBATING SOCIETY

The Debating Society is opened to any interested sophomore, junior, or senior. The Society engages in trial debates, prepares briefs for team use, and contributes to the research file. The Debating Team is selected from the Society on the basis of proficiency and interest. The team represents Durfee in the debates of the Narragansett Interscholastic Debating League and engages in interscholastic competition sponsored by various New England colleges. Several tournaments are entered for area championships.

Mr. James Roche is faculty advisor.

Vice-President Laurie Lash, President Sharon Correia, Secretary Elaine Rabinovitz.

DRAMATICS CLUB

The Dramatics Club helps pupils to understand and to enjoy good plays. The members are given the opportunity to develop their dramatic talents by working and acting in a major production. An annual cake sale is held by the members to raise money for this organization which provides the funds necessary for costumes and props.

Although entertainment is the main objective of this group, its members learn that acting is hard work and they strive to obtain their highest potentials in this field. In working with each other, they acquire the knowledge of many techniques used in the fine arts. Each person does his best to make the club worthwhile and function properly. The Durfee High Dramatics Club's reputation is of the highest, and it is our aim to keep it that way.

Sports Editor Jeffrey Farias, Carol DeNardo, Ann Berryman, Business Manager Barbara Wood, Editor Deborah Grozen, Joan Fuller, Darleen Aguiar, Assistant Sports Editor Michael Foley.

THE DURFEE HILLTOP

The Durfee Hilltop, the bi-weekly student newspaper, was published this year by a staff of eight seniors of the Journalism II class. Deborah Grozen was the Editor; Barbara Wood, the Business Manager, was in charge of gathering advertisements.

The sports staff included Jeffrey Farias as sports editor and Michael Foley as his assistant.

Darleen Aguiar, Ann Berryman, Carol DeNardo, and Joan Fuller composed the staff of reporters who gathered all the school news and many intriguing features and items of interest.

The New England Scholastic Press Association awarded the *Durfee Hilltop* a letter for meritorious achievement for its scholastic editing and publishing.

The *Durfee Hilltop* also received a second place award at the forty-fourth annual Columbia Scholastic Press Association Conference held in March.

The policy of the staff and the paper has always been to keep the student body in touch with important school activities, to express editorial opinion in an interesting manner, to present features with a variety of appeal, and to promote the best interests of the school.

Miss Barbara J. Leonard is faculty advisor to the staff. The Journalism I class under her direction also contributed copy for the *Hilltop*.

Secretary-Treasurer Mae Joe, President Henry Vaillancourt, Vice-President Myna Somers.

FRENCH CLUB

The main purpose of "Le Cercle Français" is to give students of the French language a greater insight into the cultural aspects of France. One learns very little of a language if he merely memorizes grammar rules. However, by examining its various customs, he actually gains a much better understanding. It is for this reason that "Le Cercle Français" has been established at Durfee.

Unlike the National Honor Society or an athletic club, there are few projects in which a foreign language club can participate that will truly benefit the school in some way. Therefore, we try to have many meetings, each being as interesting as possible. At some of our meetings, we have shown French films depicting life in different parts of France.

One of our happiest social gatherings was the Christmas party, held on December 21. This gave the members an opportunity to celebrate the holiday season.

At the time of this write-up, plans are still being made for our 1968 program. We do hope to have the French Consul come to speak to the club, as well as to go on several outings.

Since there are nearly one hundred members in the club, it is difficult with the help of Miss Phyllis C. Pytel, our faculty advisor, we have tried to make our activities as diverse as possible, in an attempt to satisfy the various interests of each student.

Historian Barbara St. Laurent, Vice-President James Caron, Secretary Carolyn Lovit, President Linda Meyer, Parliamentarian Kenneth Ryder, and Treasurer Rosemary Braga.

FUTURE TEACHERS OF AMERICA CLUB

Membership in the Future Teachers of America Club is open to juniors and seniors who are interested in exploring teaching as a career and who maintain good grades.

The purpose of the club is to learn about the opportunities, responsibilities, and problems of the various fields in the teaching profession.

Educators from the school and community are invited to speak at club meetings. In December an Alumni Tea is held to give alumni an opportunity to share with members their college experiences. Each spring interested juniors and seniors participate in a Teaching Observation Day at the elementary schools. Miss Sandra D. Thomas is the faculty advisor.

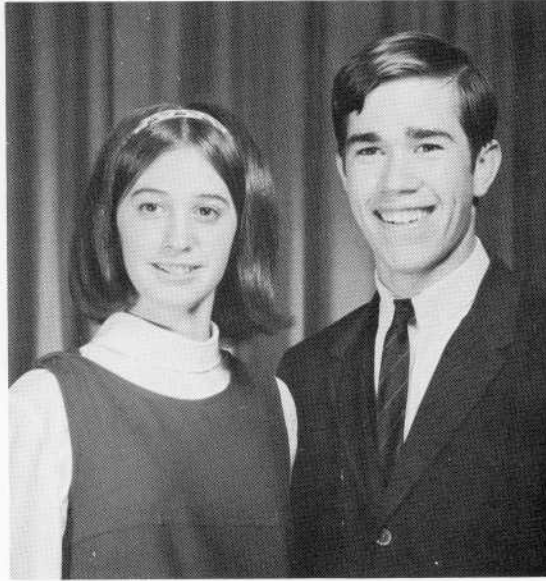

President Howard Freedman, Secretary-Treasurer Wallis Lowenthal, Vice-President Terrance Sullivan.

GERMAN CLUB

The purpose of the German Club is to cultivate in the student an extra interest in the study of this foreign language. Presented at the monthly meetings are films of the people and customs of Germany and guest speakers from the student body of SMTI. The highlight of the year's events is the club's participation in the annual program at Boston University, Tivoli. This is a gathering of students of German from all over Massachusetts. A German meal is provided and afterwards there is a recitation contest and singing and dancing. In addition to these activities, many members of the club spent an evening of Gemuetlichkeit at das Schwarz Wald Haus, a restaurant in Seekonk, where the German atmosphere is truly pleasant.

Under the advisorship of Mr. John F. Sullivan, the German Club promises a year of culture and entertainment for those students who join.

Vice-President Laurie Lash, President Robert Rapoza.

HOME ROOM DIRECTORS

The Home Room Directors is the second largest club at Durfee. A girl and a boy from every home room are elected to serve in their capacity of Home Room Director from their respective home room.

The duties of the Home Room Director this year included helping a home room teacher with attendance and also selling membership cards for the S. A. A. drive.

Mr. James Panos is the faculty advisor.

President Marcia Knight, Vice-President Maureen Kelly, Secretary Katherine Ksen, Treasurer Dana Lynch.

LIBRARY AIDES

The Durfee Library Aides comprise one of the most efficient organizations in this high school. To be a member of the association, a student must be on the Principal's List, as well as be a person of dependable character. Tasks performed by the library aides include preparing books, issuing and delivering library passes, filing cards, and setting up corridor displays.

Meetings are held monthly under the guidance of Mrs. Nagle, the librarian. Following the business meeting, various speakers and entertainers have addressed the members on interesting subjects. The annual Christmas party and trip highlight the events of the year.

Mrs. M. Rita Nagle is the club advisor.

Secretary-Treasurer Deborah Grozen, President Gerald Martins, Vice-President Judith Eddleston.

MATHEMATICS CLUB

The Mathematics Club is made up of those students interested in continuing the study of higher math after high school. They are mostly math majors whose chosen career will call for a complete knowledge of the subject.

A series of speakers provided the program for many of the meetings. They were mostly faculty members from such area colleges as SMTI, Bridgewater, and Brown. Members of the senior class occasionally spoke about courses they had taken outside of Durfee or advanced study they had done.

The major off-campus get-together of the club was the annual Christmas bowling party. The members met between buildings, and the traditional caravan of cars made its way to the Holiday Lanes in Somerset. After a session of record-breaking bowling, the entire group traveled back to the city and packed into the president's house for the second half of the party.

In the spring the club ventured out once again. This time our objective was the New England Electric power plant, which we toured thoroughly. Finally, under the direction of Mr. Donald G. Wood, our faculty advisor, the Mathematics Club held its big picnic outing, the final meeting of the year.

President Rosemary Braga, Vice-President Sheila Zangwill, Secretary-Treasurer Beverly Rapoza.

MUSIC APPRECIATION CLUB

"Who has the red finger paint?"

"What do you mean --- play the melody upside down?"

"At least the cookies were good."

Sounds of Music Appreciation Club meetings are usually misleading. Programs range from the customary movie or guest folk or classical performer to such exotic activities as finger-painting to music, delving into the avant-garde world of 12-tone scales and sawing through cellos, to the satisfaction of munching while mulling over new ideas.

Members have listened to recordings of music from foreign countries, visited the Gardner Museum in Boston on Chamber Music Day, heard the Boston Pops, and visited the ancient instrument room of Fine Arts Museum. In the realm of modern music, we have looked into the folk song resurgence, and enjoyed the experimental. The only limitation is the imagination of the members.

The group that met on the first Tuesday of every month had as its purpose the provision of a background for greater understanding and enjoyment of all types of music.

President Dennis Vieira, Vice-President Deborah Macy, Secretary Gail Packer, Editor of *Phoenix Nest* Roberta Castro, and Assistant Editors of *Phoenix Nest* Linda Ferreira and Gerald Martins.

THE NATONAL HONOR SOCIETY

The National Honor Society is probably the most selective club of Durfee. Its membership consists solely of students who have shown high academic and leadership qualities. Each year, approximately fifty juniors and one hundred seniors are elected into the society.

This year, as in the past, the National Honor Society has carried out its programs for academic advancement. Perhaps the most outstanding project of the club has been its preparation of the *Phoenix Nest*, Durfee's literary magazine. It consists of essays, short stories, and poems created by the students of Durfee. The magazine offers an opportunity for students to develop and show their creative and literary abilities.

The *Phoenix Nest* won a superior rating from the New England Scholastic Press Association at the annual conference in November.

Another project of the society has been the organization of a tutorial program. This is a system in which the club members give academic aid to students who need help in a certain subject.

Each year, the National Honor Society sponsors several social gatherings. The October Tea was an opportunity for the club members to become better acquainted with each other, and in general, simply to have a good time. Miss Claire-Marie Hart and Miss Sandra Thomas, as guest speakers, gave an interesting account of their trip to various places of interest in England. Another tea is planned for the month of March. At this gathering, new members will be admitted into the club.

Miss M. Dolores Burns is faculty advisor.

Patricia Silvia, Rosemary Braga, Thomas Hathaway, John Moniz, Bruce Trenholme, Patricia O'Shaughnessy, and Janice Simpson.

Front — Cathy Sowersby, Karen Allaire, Isabel Raposa, Rosemary Braga, Cecelia Ruest.
Back — Sharon Correia, Sandra Santos, Janet Patenaude, Patricia Silvia, Joan Reid, Frances Raposa, Mary Ann Cunha, Michele Larrivee, Patricia O'Shaughnessy, Sandra Yamin.

MUSIC ACTIVITIES

The Senior Mixed Chorus, directed by Miss Frances Shaughnessy, is comprised of juniors and seniors who are former members of the sophomore glee clubs.

In September the chorus begins to rehearse its program for the annual Christmas Concert. This year besides the concert selections, the chorus staged a production of Menotti's "Amahl and the Night Visitors," in which members sang the solo parts as well as the choruses. They also did the traditional Christmas concert for the Rotary Club, and caroled throughout the school before the Christmas recess.

In January, twelve of the chorus members sang in the Southern Massachusetts District Concert, and shortly after, the entire chorus participated in the Opera Sing, "Carmen," by George Bizet. Immediately following, they began to rehearse for the Spring Concert.

The Vocalaires is a group of fifteen to twenty junior and senior girls, who audition for membership at the end of their sophomore year. They dress alike, this year in short sleeved, navy blue, A-line dresses. Their performances are at various times during the year, as requested by different clubs and organizations. They also sing at the Christmas and Spring Concerts.

President Michael Dias, Vice-President Carolyn Cambra, Secretary Paula Robidoux, Treasurer John B. Moniz.

PORTUGUESE CLUB

The purpose of the Portuguese Club is to promote the educational, civic, and recreational development of its members. It was also established for the purpose of acquainting its members with Portuguese customs, and to make them aware of the glorious heritage of the Portuguese culture. The club familiarizes the members with the extensiveness and importance of the resources controlled by the Portuguese-speaking people throughout the world and particularly in Brazil and Africa.

This year's activities included an exhibit in the library corridor which displayed many cultural items and artifacts, not only from Portugal, but also from its territories. Also included were some reproduced antiques and a collection of books on Portuguese art treasures, history and literature, donated by the Gulbenkian Foundation.

Guest speakers at meetings lectured on various subjects pertinent to Portuguese culture, while others spoke of the numerous opportunities available for the advance study of Portuguese, and of the many advantages for obtaining important positions for persons familiar with the Portuguese language. Other guests showed slides of enchanting Portugal and of its other territories.

One of the highlights of the year was the invitation from the Portuguese Department of S.M.T.I. to attend a meeting at its campus, where other Portuguese Clubs of area high schools were also present.

Miss Mary T. Carvalho is the club's faculty advisor.

Secretary-Treasurer Henry Vaillancourt, President Marie Rego, Vice-President Deborah Macy.

THE RUSSIAN CLUB

The Russian Club of B.M.C. Durfee High School was formed in January, 1967, in order to encourage study of Russian heritage and culture. In acquainting themselves with Russian literary and social trends, the club members increase their knowledge of a country that is important in world affairs. Although the club is not yet organized to an extent that it can sponsor field trips, members have seen films, have participated in discussions and have heard reports from various speakers. Since the number of those electing Russian as a course is small, anyone who fulfills the basic requirements of interest and good scholarship is allowed admission.

Mr. John Sullivan is faculty advisor.

President Edward Los, Secretary-Treasurer Grace Yamin, Vice-President Augustine Gonsalves.

ASTRONOMY SOCIETY

The Astronomy Society was organized this year to promote interest in this physical science. Besides giving advanced amateurs the use of Durfee's famous observatory, the club introduced beginners to the wonders of the sky. A sincere interest in astronomy was the only membership requirement.

For three hours on every fair Monday and Wednesday, club members scanned the heavens from the Summer Triangle to Hercules for nebulae, planets, and other interesting celestial bodies. The society also repeated some famous experiments such as the measurement of the distance of the moon, the study of planetary motion, and the determination of the speed of light.

Our meetings every three weeks supplemented the observatory program. The agendas included guest speakers, films, and astronomy discussions. The club also visited Roger Williams Planetarium.

The faculty advisor is Mr. Armand A. Dallaire.

President Richard Goldberg, Vice-President Jeffrey Korber, Recording Secretary-Treasurer Lois Avila, Corresponding Secretary Annabel Gee.

SCIENCE CLUB

The Science Club had a wide spectrum of activities this year. Foremost among these were guest speakers. Dr. Franklin J. Scott of the Thompson-Apex Company of Assonet spoke to the club about the ever growing plastics industry. Mr. Evan R. Kantrowitz, past president of our club, and a national winner in the Ford Future Scientists of America Awards Program, spoke about the role of the high school student in the world of science. Other activities enjoyed by the members included watching movies of scientific interest, attending social functions such as the coffee hour and the parties, and most of all, going on the club trip.

For the first time in the history of the club, a committee was established to write a constitution which will serve to guide future club leaders. Under the chairmanship of Joseph Arruda, an excellent constitution was assembled in just three months.

The Science Club owes much to its dynamic faculty advisor, Mr. Roger H. Dubois who untiringly helped to make our year a great success. Thanks are also in order for the chairlady of our Outside Activities Committee, Joan Higson, for the chairman of the Chemistry Affiliates, Joseph Sarna, and for Mr. Leonard Alves who devoted his energies into reactivating and directing the Chemistry Affiliates.

President Clara Oliveira, Vice-President Linda Horvitz, Secretary Beth-Ann Freed, Treasurer Linda Meyer.

THE SPANISH CLUB

The Spanish Club each year tries to give its members a deeper appreciation of the Spanish culture. Its members proved themselves true Spaniards at heart by their celebration at the club's Christmas party. Christmas carols were sung in Spanish and the finale was observed with the breaking of a truly Mexican piñata laden with trinkets and candies.

The Spanish Club traveled to New York in April to see *Man of La Mancha*, a play about the famous, gallant and comical Spanish character, Don Quixote.

The members of the Spanish Club are truly active in all facets of our organization, not only in education but also in the social and cultural activities.

The faculty advisor is Miss Cassandra Babiarz.

Executive Director Ernest Silva, Jr., President Alan A. Silva, Vice-President Louis Silva, Secretary Christine Mikolazyk, Treasurer Joan Higson.

WORLD HISTORY CLUB

The World History Club was established to increase the student's interest in all areas and phases of history; to augment his knowledge of various peoples, places, and customs; to create within the "young historian" the sense of responsibilities and rights which are attached to world citizenship; and to develop a certain co-ordination and co-operation so necessary in everyday life.

This year, the club has undertaken the traditional UNICEF Drive for the underprivileged children throughout the world, the annual U.N. Trip, and a Christmas Party for the general membership. The club also sent the *Durfee Hilltop* to our servicemen in Vietnam. Also slated for this year is a travelogue given by Miss Dolores Burns, as well as the presentation of Exchange Club speakers from S.M.T.I.

Under the faculty advisor, Mr. George Kelly and his assistant Mr. Thomas H. Cahill, the World History Club has tried to present to its members a progressive, interesting, and enjoyable program of monthly activities.

President Jean Botelho, Vice-President Jacqueline Alix, Secretary Annabel Gee.

GIRLS' ATHLETIC ASSOCIATION

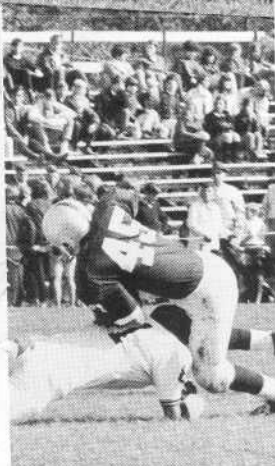

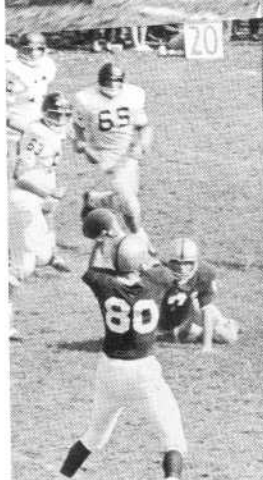

The Girls' Athletic Association, under the direction of Miss Margot Lavoie and Mrs. Beverly Andrade, consists of a group of girls who have a common interest in sports and athletics. These girls participate in, help organize, and manage all intramural programs. The most important of these is the Sophomore Basketball Tournament in which the students coach, time, score and officiate.

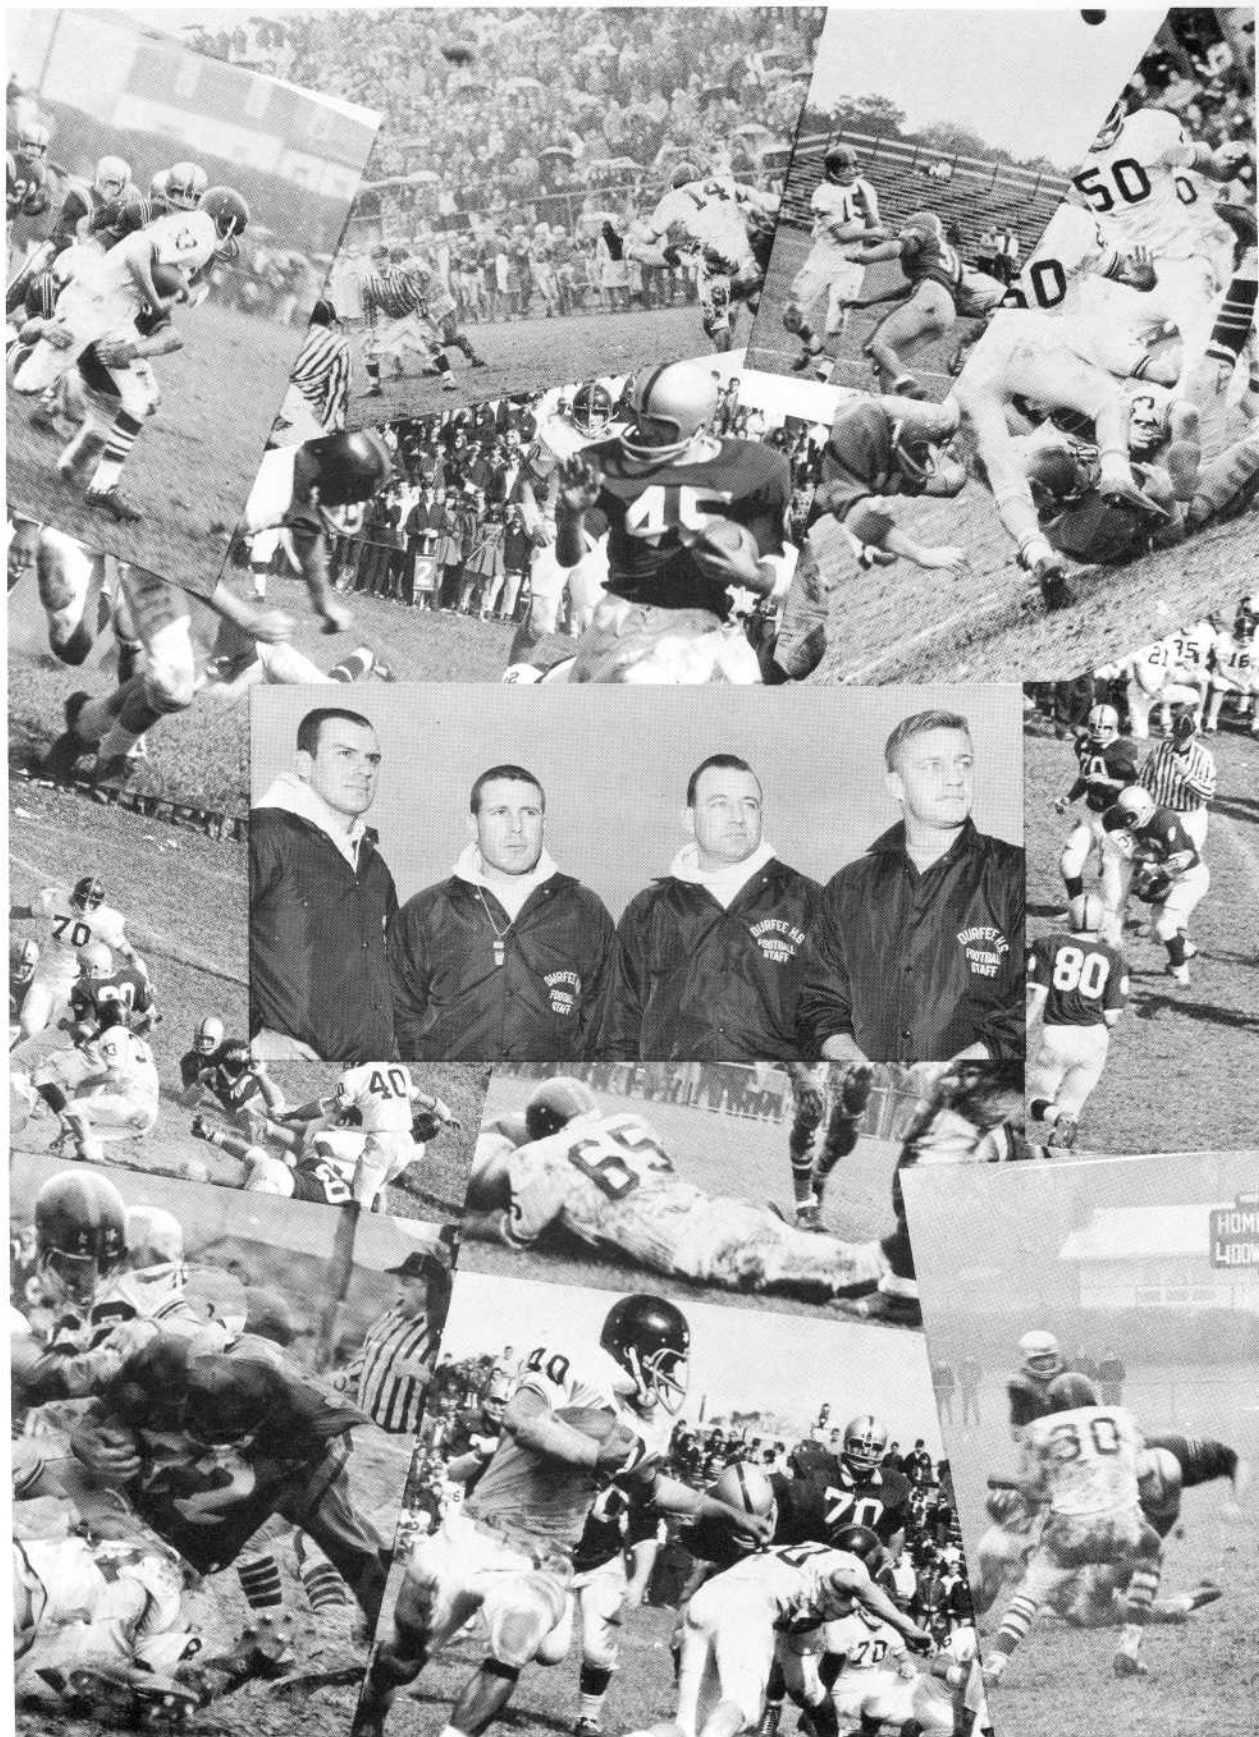

The G.A.A. also sponsors an alumnae reunion. During Christmas vacation, former members and varsity team players are invited to return to Durfee to play the current varsity basketball team.

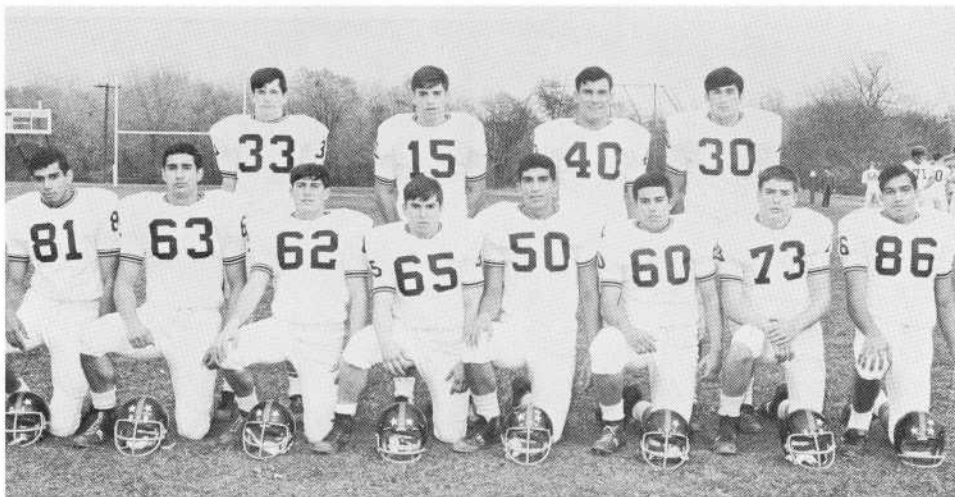

Termination of the yearly program occurs at the annual Spring Outing. At a suitable location, members enjoy swimming, recreational games and a cook-out and conclude with a fellowship program.

SPORTS

First Row: Jim Silva, Alan Miller, Tom Pontes, Dennis Hennessey, Greg Massoud, Dan Pimental, Brad Bouchard, Lou Silva.
Back Row: Jeff Chace, Gary Rosa, Joe Roque, Gerry Dore.

FOOTBALL

Led by Tri-captains Lou Silva, Alan Miller, and Joe Roque, the Durfee High Hilltoppers completed a 7-1-1 (won-lost-tied record) and a second place finish in the Bristol County League. This enviable record was achieved only through the hard work of Coach Donald Montle, his staff, and the entire team.

In the only night game of the season the Hilltoppers made an auspicious league debut against New Bedford Vocational winning by a score of 49-8. Durfee continued their winning trend by defeating Attleboro 14-6 and Bishop Stang 6-0. The Hilltoppers received their only loss at the hands of Taunton by the score of 20-14.

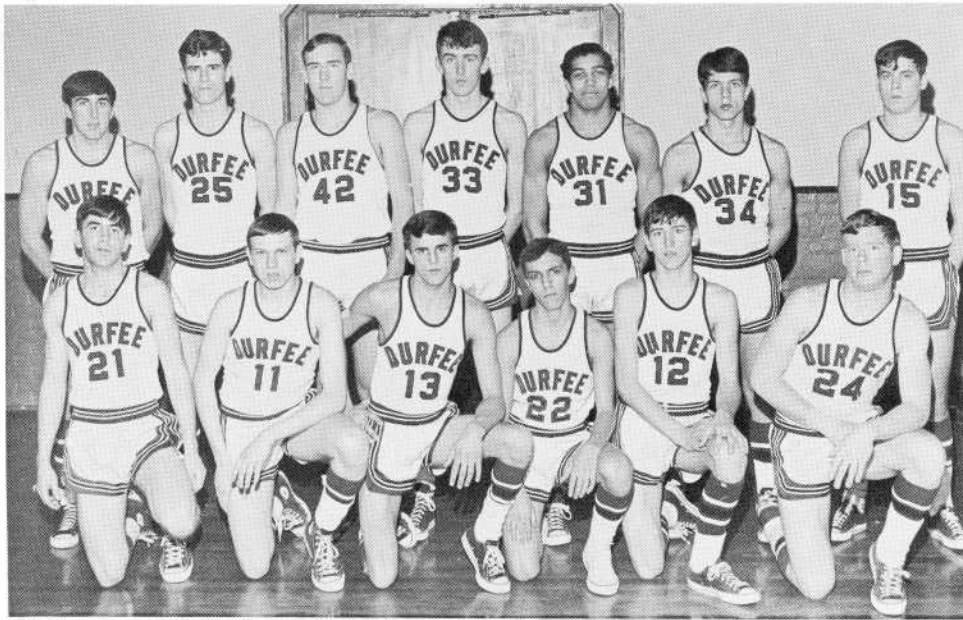

Durfee then returned to it's winning streak, defeating Bishop Feehan 12-8, North Attleboro 30-8, Lawrence Central, a Greater Boston League opponent, 34-6, and Coyle 19-8.

The stage was now set for the annual Thanksgiving Day game against New Bedford. Before a rain-soaked crowd of 10,000, the Hilltoppers battled New Bedford to 0-0 stand-off.

The annual Student Activities Association Banquet was the final event of the season. Joe Roque was named Most Valuable Player and Dan Pimental received the Unsung Hero Award. All-League honor went to Alan Miller, Lou Silva, Dan Pimental, Greg Massoud, and Joe Roque.

Greg Massoud also received the Lt. Trevisano Trophy as the team's outstanding lineman.

Coach Montle also singled out seniors Dan Lord, Paul D'Adamo, Brian Palmer, Steve Meany, Tom Donnelly, Tom Hammond and Mike Sbardella for fine jobs during the season.

Front Row: Bill Edward, Frank Bigos, Rick Viveiros, Jim Lewis, Al Herron, Kevin Manning.

Second Row: Gerry Dore, John Hearn, John Crowe, Dave Morley, Lou Silva, Tom Costa and Dennis Carey.

BASKETBALL

This year's basketball team, led by lone returning starter Dennis Carey, compiled a 10-4 record in capturing the co-championship of the Bristol County League and an enviable 13-6 record over-all.

Under the guidance of Coach Tom Karam, the Hilltoppers displayed a well-balanced offense, coupled with the league's most proficient defense.

The season opened as the inexperienced Hilltoppers dropped a close 46-45 contest to Rogers High. However, the team then jelled, winning eleven out of their next twelve games, clinching the B. C. L. co-championship and assuring the school its twenty-third Technical Tournament berth in 24 years.

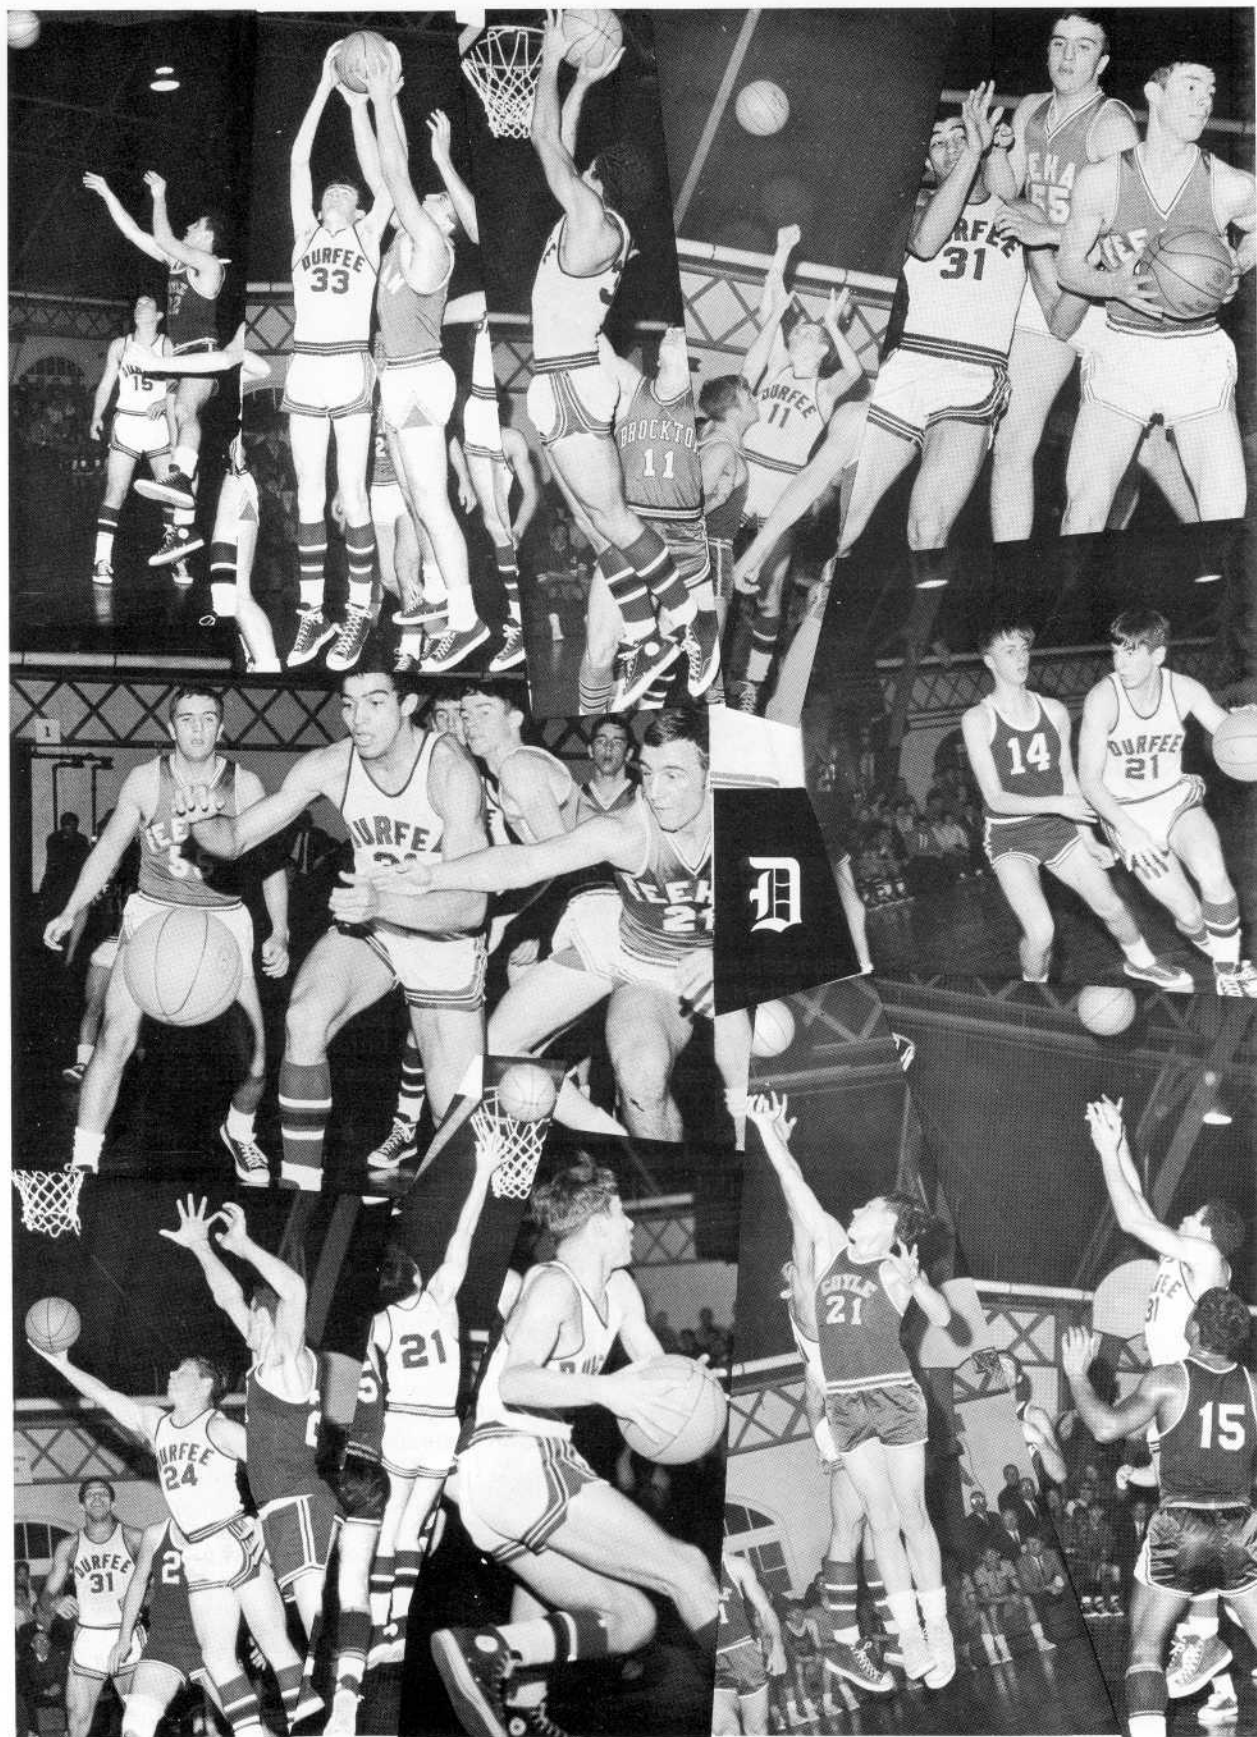

Outstanding for the Hilltoppers were play-maker-guard Dennis Carey, prolific scorers Dave Morely and Bill Edward and rebounding center Lou Silva.

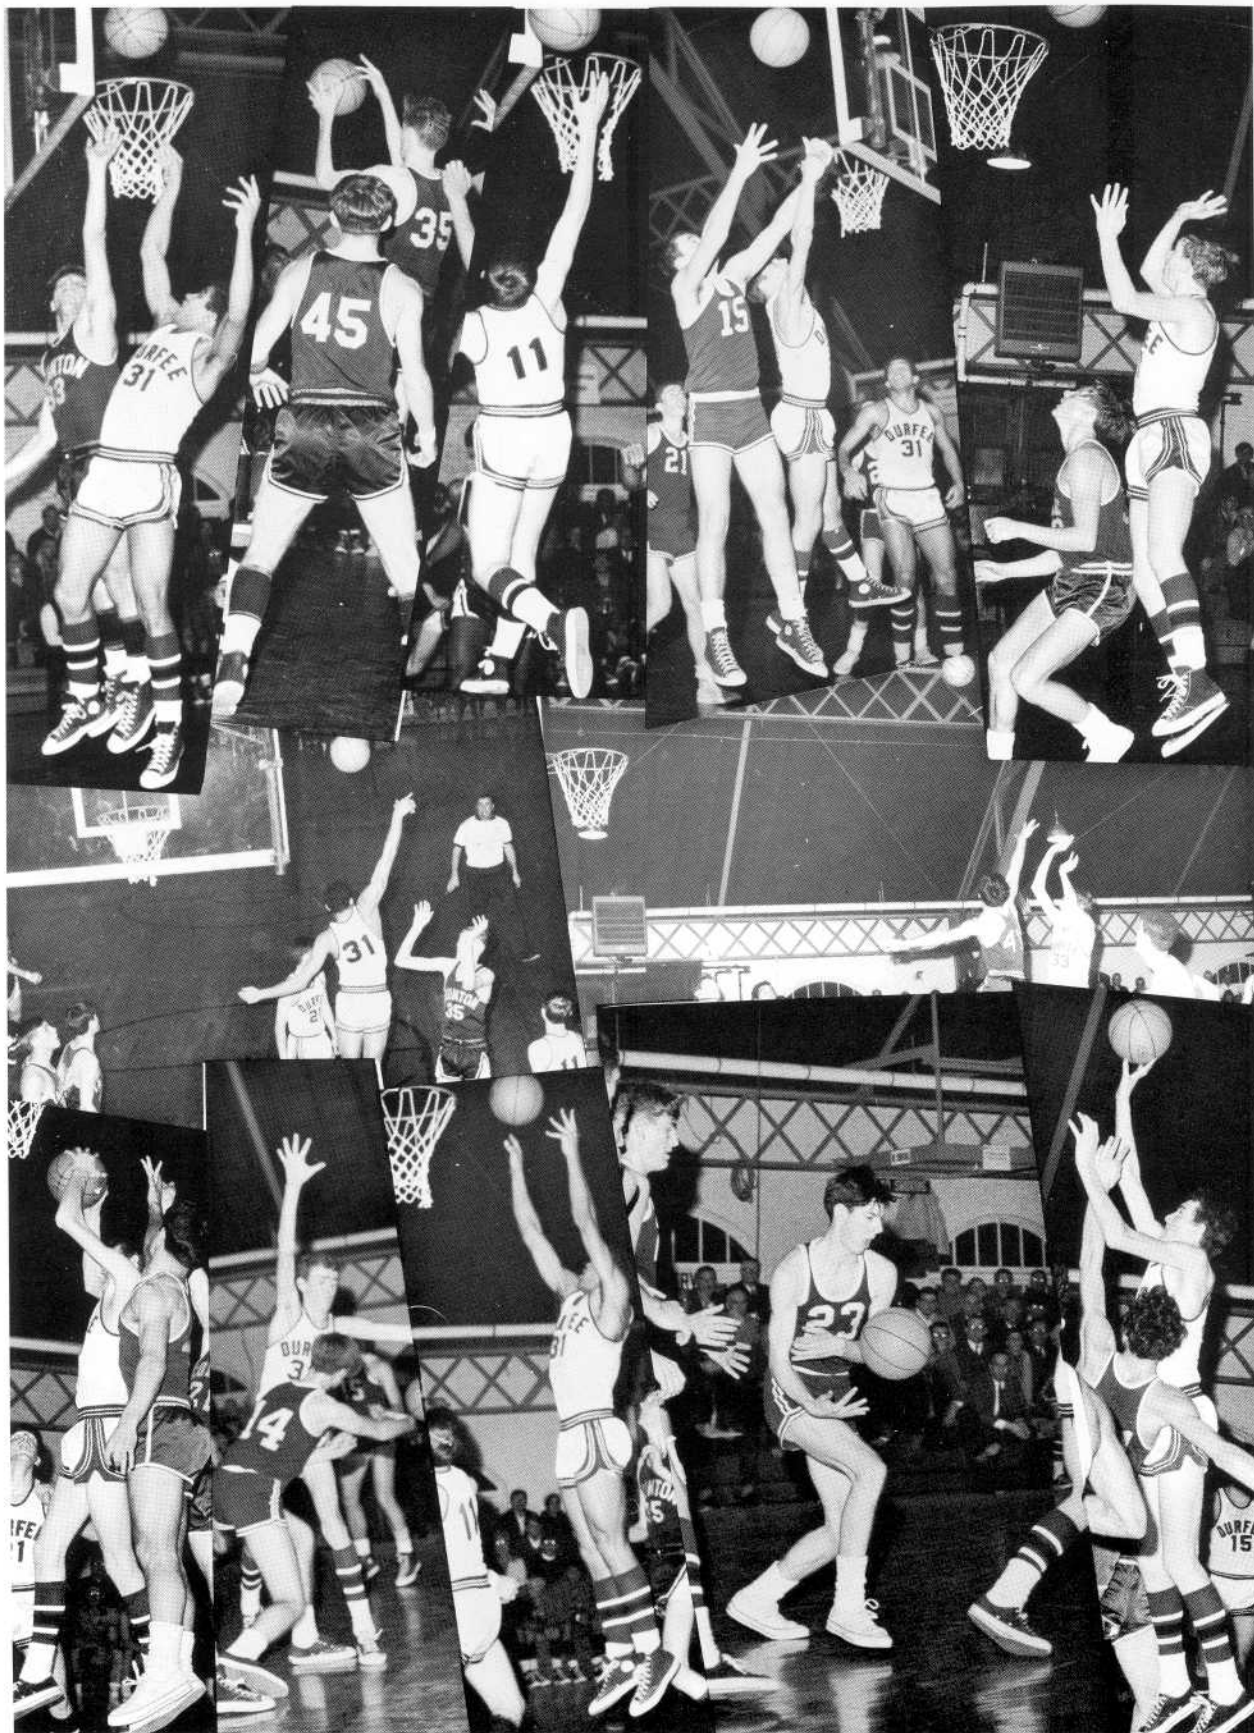

Other contributions were made by Kevin Manning, a hustling forward, two fine shooting guards, Frank Bigos and Tom Costa, and a fine group of reserves.

In their Tech Tourney debut the Hilltoppers were defeated by a tough Cambridge Latin squad 57-42.

Carey and Morley were named to All-Bristol County League's second team. Silva and Edward also received honorable mention laurels.

Coach Karam was honored for his outstanding job with the team.

Front: Head Patricia Rego. Second Row: Adrienne Jamiel, Marcia Knight, Carol Silvia. Third Row: Kathie Ksen, Patricia Eagan, Barbara Bernstein, Margaret Pereira.

CHEERLEADERS

Being a cheerleader for Durfee is a great honor and privilege.

In their bright red and black uniforms, the cheerleaders rouse the spirit of the fans and add much color to all the games.

They experience, with the team, the joy of winning and sometimes, the sorrow after a game is lost.

The squad is made up of eight girls — four seniors, and four juniors. A girl is chosen in her sophomore year and is on the squad for two years. Head cheerleader is chosen by the four senior cheerleaders and their advisor, Miss Claire-Marie Hart, at the last home game of the season.

This year we have continued the practice of substitute cheerleader. Judith Varanese was chosen to take the place of any cheerleader who could not attend a game.

This year, the Durfee cheerleaders were seen in a number of parades, marching and singing to their favorite song —

Let's go down the field boys, fight to the end.
 Play hard and clean boys,
 We are out to win;
 Let's go down the field boys,
 Kick the goal!
 Three cheers for Durfee
 We'll get that goal!!

Front: Head Judith Stafford. Second Row: Joy Kenyon, Andrea Silver, Celeste Nadien. Third Row: Barbara Costa, Nancy Frazee, Susan Keeley, Louise Linden.

MAJORETTES

Wherever the Durfee band is seen, you will see it led by the lively majorettes in symbolic red and black uniforms. The eight majorettes work together throughout the summer and school year to practice traditional and original twirling routines for pep rallies, football and basketball games, and parades. They not only provide entertainment but they also display talent, school spirit, and the results of hard work.

The group is composed of four seniors and four juniors, each chosen at the end of her sophomore year. Qualifications include twirling and marching ability, academic eligibility, and proper conduct. Tryouts are held in the presence of Mr. Fiore, band director; advisors, Vice-Principal Alice Harrington, and physical education instructor, Miss Margot Lavoie, as well as the senior majorettes. It is the responsibility of the senior majorettes to train the newly chosen girls in all aspects of twirling.

The head majorette is chosen by the band director and advisors on the basis of her twirling ability, sense of rhythm, personality and particularly her capacity for leadership.

The majorettes usher in the football season with their traditional march at Alumni Field to the tune of "Our Director's March." At the annual football banquet, each majorette receives an old English "D" with a baton insignia for her tireless efforts throughout the year.

GIRLS' VARSITY BASKETBALL

Basketball games are as unpredictable as life itself, but players acquire sportsmanship and friendships which will last long after the final scores are forgotten.

For 1967-1968 as a participating member of the Bristol County Girls' League, Durfee opened the season with a twelve-game schedule. Coached by Miss Margot A. Lavoie and faced by the return of only one veteran, the team spent the season rebuilding with great expectations for future years.

Victory was not always ours because only one team can win any game. To us, the concomitant values of participation in sports can be gained by winner and loser alike so we therefore considered our season a most successful one.

Players on the Girls' Varsity Basketball team, who meet school requirements, receive an old English "D" at the Sports Award Assembly and also attend a banquet for all girls who participated in Bristol County League Sports.

Jory Schwartz, Barbara Bishop, Emilinda Williams, Christine Freitas, Donna Copsetta, Debbie Dupre, Leonor Carreiro, Lydia Burn, Brenda Bannister, Captain Janice Costa, Karin Marquis, Carol Gardella, Joyce Tavares, Donna Pavao, Maureen Roque, Kathy Rogers, Sharon Boissonneault, Nancy Legault.

PEP SQUAD

The Pep Squad was organized last year to help the cheerleaders encourage school spirit at all football and basketball games.

Although Pep Squad members may be from any class, the majority of girls are from the Sophomore Class.

Moderators are Miss Cassandra Barbiaz and Mrs. Joan Carfagno.

First Row: Walter Medeiros, Charles Pacheco, Charlie Sousa, Lou Serpa, Bruce Norman.

SOCCKER

The soccer team, under the direction of Coach Tom Karam compiled a 6-3-2 record and an enviable third place standing in the Bi-State Soccer. This was a fine team effort that the entire school may be proud of.

The Hilltoppers made an auspicious debut, defeating Westport 3-2 with center-forward Charlie Sousa scoring twice and teammate Lou Serpa once. The team then tied New Bedford Voke 1-1 and lost to Attleboro 1-0.

Charlie Sousa then set a league record of six goals in a single game as Durfee beat Diman 7-3. The team, after losing its next two games, got back on the winning track against New Bedford Voke, Attleboro and Diman, playing to a 0-0 standoff against New Bedford in the season's finale.

Charlie Sousa and goalie Paul Cooper were named to the all Bi-State League Team. Also to be commended for their fine play were Bruce Norman, Dennis Carey, Tom Costa, Bill Walmsley, Lou Serpa, Bob Cabral, Roger Ramos, Charles Pacheco, Chris Semin and Alan Semin.

BASEBALL

Looking ahead to a fine season are Coach Joe Lewis and his team. Their reasons lie in returnees Dave Curry, Gerry Dore, Kevin Manning, Chuck Duemmel, Dan Pimental, Joe Roque and George Phelan. This should be a very successful season for the Hilltoppers who are playing a very challenging schedule.

TENNIS

Coach Frank Jordan is looking ahead to another fine season for the Hilltoppers. The team's schedule includes matches with Coyle, Fairhaven, Falmouth, Old Rochester, Dartmouth, New Bedford, and Taunton. Returnees include Captain Dave Freedman, Steve Gregory, and Barry McMahon.

GOLF

The golf team under Coach Bill Nugent will be playing matches with Attleboro, North Attleboro, Bishop Stang, New Bedford, New Bedford Voke, Taunton and Somerset High Schools. Counted on for fine showings are Mike Shaw, John Arminio, Bob Silvia and John Shea.

TRACK

Coach Clint Borden, influenced by a strong returning field of lettermen, is expecting a good showing in the Bristol County League from this year's team. Seniors Paul D'Adamo, the shot-put, Dan Lord and Lou Silva, the broad jump, Paul Lapointe, the 100 yard dash, along with juniors Mike Brogan, 880, and Lou Chadwick, 100, are confident of doing well in league competition.

CROSS COUNTRY

Under the guidance of Coach Clint Borden, the Topper Harriers compiled a 4-4 record which stands as the finest in Durfee's history. After a discouraging opening meet against Brockton, the squad proceeded to win four out of their next six contests.

The year's competition was highlighted by a string of seven successive victories by leading scorer Mike Brogan. The captain, Terry Sullivan, was the team's second highest scorer followed by Bob Thomas, Rick Mercer, Len Machado, Steve Cybert, and Ken Soucy. The season ended with full team participation in the Bristol County League Championships where the Toppers attained fourth place in the standings.

The awards banquet was held at White's Restaurant and Coach Harry Allen of the New England Champion Brockton High Harriers was the guest speaker. One of New England's top runners, Joe Butler of Brockton, was also present as the top Durfee runners received their Athletic Letters.
