Class History 2020

It all started September 7, 2016. We were placed back at the bottom again, but we knew quickly this is not where we would stay. We were the little fish back in a big pond. A brand new four years to truly find out where we all belonged.

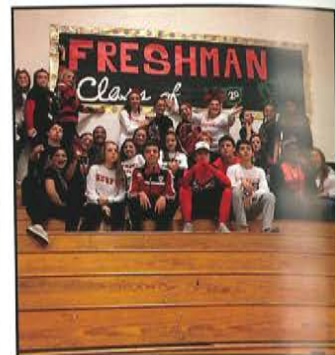

As we tried out the clubs, electives, and classes, we quickly established that Durfee was going to be something that we were going to make a home out of for these next four years.

We quickly settled in and were determined to create an awesome skit for our first ever Durfee pep rally! With the help of our fun advisor Ms. Pereira, we began working on our "High School Musical" skit, hoping that it would lead us to victory. It was only our freshmen year, but we didn't place last. We gracefully handed over fourth place to the Class of 2019 and we earned third. We really showed that we had a lot more to prove and we weren't going to easily accept third.

As we were learning more and more about Durfee we were also learning more about the pride and spirit that we had for the school.

In 2017, we became sophomores. Still little fish, but a bit more adapted to the pond. This year we continued to show off our Durfee pride by creating a long sleeve shirt that showed our "2020 Vision" and we had another great skit of "Shrek" which took second place. We were quickly rising to the top. We knew this is where we were made to stay. Sadly, our year was cut short due to the Great Durfee Flood and our 8 snow days.

Now our Junior year was the year we were finally upperclassmen and could lead with pride as we always have, but this time it meant more, especially with the 5th floor swimming pool that we could tell the underclassmen about. This year we placed second with our "Toy Story" skit. We would have placed first if the seniors didn't have to win by seniority...sorry Class of 2019 we got you there. This year was a big one for us. We had our first ever Prom, which will forever be a night to remember, along with the Powderpuff Game where we played football and cheered our hearts out. Sadly we didn't win, but man was that one fun night!

As Junior year quickly came to an end we said our goodbyes to the Class of 2019 and we started our journey as the big fish. Bittersweet having our friends leave us, but we were eager to start our senior year.

We began our 2019-2020 school year big with our Seniors helping Freshmen bonfire which ended a little crazy, but was still a fun time. The following day we had the annual Orientation Day which was an amazing experience. It was crazy to think that we were once in their shoes and now we were able to guide these new kids through our school. It's always fun to break them out of their shells and make them feel at home, just like we had to do our freshman year.

Earlier this year, construction on the new Durfee began. Although we unfortunately won't be able to continue our journey in it, we still had a huge part in its design and inception. We were able to write our names on a beam that is placed inside of the new building and our legacy will live on within the new Durfee and that will always be a special memory of ours.

Quickly, we assembled into our senior year and did not mess around with our Pep Rally skit. This was the year that Ms. Tiburtino became one of our advisors. We got down to business immediately and knew this skit had to blow all of the others away. We gave it our all with our "Avengers End Game" skit, taking first place, which we finally, so rightfully deserved.

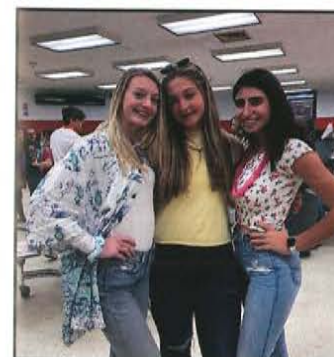

We continued our senior year with our last ever Homecoming at White's of Westport. The Class of 2020 really rocked the house. As the winter rolled on, we held one of the last events we had as a class, the Powderpuff Game. Although we may not have won against the Juniors, we had another great time.

Unfortunately, our senior year was tragically cut short due to the COVID-19 Pandemic. The Coronavirus ended the year, but our memories will remain forever. We won't be having prom on May 29th or graduation on June 5th as originally planned, however, we will still be celebrated as the great class that we are and the legacy that we have to live.

We weren't able to have Mr. Hilltopper or a class trip, or senior skip day, but we were able to have senior skip months! At some point we will be able to look back and reflect on all of the great memories that Durfee has gifted us with even though our time in the halls was cut short.

We may be going our separate ways, but we will always be connected through our love for Durfee. "Once a Hilltopper, Always a Hilltopper."

Love you all 3000,
Briana Jusseaume

Dear Class of 2020,

It is with many mixed emotions that I sit down to write this yearbook message. As we embark upon the last few days with one another, it has caused me to spend some significant time reflecting on your high school experience, your future endeavors, and the school's role in both of these. While what the next phase of your life will hold for you is extremely exciting to me, I am saddened to think of how our daily interactions came to a halt. While I am hopeful for what your contributions of leadership, citizenship, passion, hard work, and dedication will bring to our communities, I am apprehensive about the absence of your lead-by-example character, attitude, and presence here at Durfee. While I am inspired by the opportunities and successes that lie before you, I am still in awe of those you have left as your legacy in our halls, on our walls, and in our hearts. While I will miss you, I am so incredibly proud of and excited for you. Finally, while we thank you for what you have done to leave your indelible mark upon our learning community, we want to encourage, support, and have hopefully prepared you to make an even larger mark on our society.

Your final year of high school may not have ended as most, if not all of you, had dreamed of, but know that over the last 3 years together you have taught me more about education, leadership, and humanity than I can even begin to put into words. How you have handled one of the most unprecedented experiences we all have had to face has restored my faith in humanity. I started out your sophomore year by speaking about the importance of relationships in education; you have all taken heed of that and forged relationships that will last you a lifetime. The relationship your class has built with each other and the Durfee community has profoundly impacted me. Your actions, words, accomplishments, time, dedication, passion, perspective, and voice all have worked to influence me as an educator and leader. Seniors, it is time for you to ASSEMBLE you accomplished your mission and left Durfee a better place than it was 4 years ago!

You will be missed.

Sincerely,

Mrs. Fogarty

To the Class of 2020,

You all entered a world forever changed by the events of September 11, 2001. As you are set to begin the next chapter of your lives, we find that the world has changed again. What will never change is the imprint the Class of 2020 has left on the Durfee community. Your collective achievement in all aspects of the high school experience sets a new high water mark for those who follow to strive for. You all have enriched our school with your spirit, dedication, and service. As you take your place among the alumni of B.M.C. Durfee High School, your generation is poised for success in this ever changing world. You make us proud every day and we look forward to watching your brilliance shine!

We are all so proud of you and all you have accomplished! Love Mom, Dad, Nick, and the rest of your family.

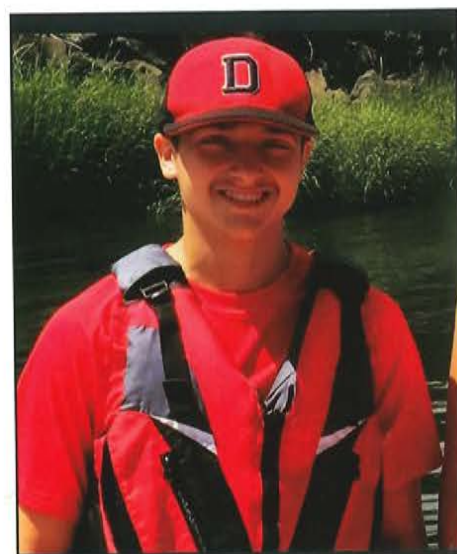

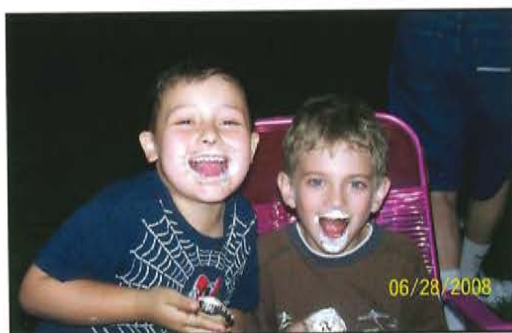

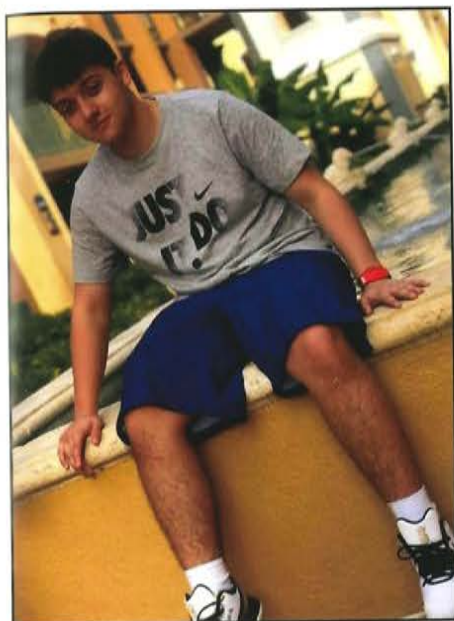

O'Sheaya Sterling... "watch out world, she is here"

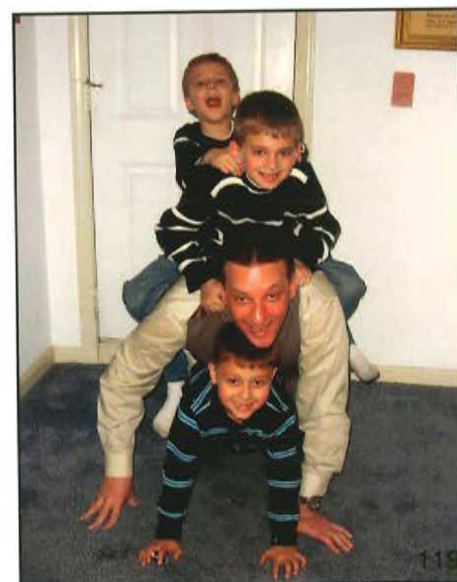

GOD has blessed the world with a GEM that is unique amongst all others. Always use your VOICE because it has GREAT POWER, speaking with BOLDNESS & PURPOSE. Don't let life's tough times harden you but let it polish you like the GEM you are. O'Sheaya you SHINE in BLACK EXCELLENCE...if GOD is there for you, who can be against you....Show the world how this BLACK GIRL ROCKS!!! Love Mom

Kory Gil Lajoie

Kory, We are super proud of you! You are Loved and adored by all of us. We wish you great health, happiness and success always. Love, Mom, Dad, Kayla and all of your family and friends. XoXo

In Memory of

Cyrus Borges

On September 10, 2017, Cyrus was struck by a car while riding his bicycle. He spent the next several months hospitalized. He suffered a traumatic brain injury and was in a coma for weeks. He wasn't expected to survive. Cyrus fought hard and had the grit and willpower to regain his memory, and the ability to walk and talk again.

Cyrus returned to Durfee in January of 2018 a better version of himself. He was more concerned with his grades and more determined to earn his diploma. "He was just an amazing, amazing kid. You wish you had more students like him who were so dedicated to their grades, their classwork, everything," said Loryn Shea, Cyrus' teacher.

On Friday, June 21, 2019, Cyrus passed away unexpectedly from an apparent seizure. He is remembered as a polite, happy, young gentleman with a quirky sense of humor and a love of rap and video games. He was also a talented anime artist.

The Class of 2020 dedicated their senior pep rally skit, *The Avengers*, in his honor. He was our fallen hero. #onceahilltopperalwaysahilltopper

Durfee Record Book Class of 2020

Adviser- Mrs. Rachel Silva

Staff- Briana Jusseaume
Cassidy Cashman

A note from Mrs. Silva:

To the Class of 2020,

Finishing this yearbook in the middle of a global pandemic was not exactly ideal. Who knew that we would leave Durfee in March and never return for this school year? It caused me to miss the normal yearbook staff interactions and have the help of the seniors that normally come in and out of my classroom while I try to wrap up the details of the book.

It is my hope that you are able to find joy when you turn the pages of the Record Book and relive your high school memories. Although your time at Durfee was cut short, your favorite moments will live on in this yearbook.

I wanted to send a special thank you to Briana Jusseaume for all of her help over the last two years and Cassidy Cashman for her work on the sports section. I also wanted to say thank you to the seniors and Ms. Feitelberg who helped me identify all of our athletes, via text because of the virus. Mrs. Fogarty for her constant pep talks to help me finish, Mr. Costa for linking me with the seniors that I needed, Ms. Pereira and Ms. Tiburtino for being supportive advisors to all of you and helping me whenever I needed to reach out to you.

Congratulations and good luck in the future!

Mrs. Silva

Remember... "Once a Hilltopper, Always a Hilltopper!"
