Pep Rally & Spirit Week

School Spirit

Senior Celebration

May 22, 2021

CLASS HISTORY

Wednesday, September 6, 2017, marked the day we started a new chapter in our lives. We walked into those red and black hallways, not knowing what was in store for us. We only knew what we saw on television. Let's just say it was nothing like Degrassi or Glee. Soon came our first football games, spirit week, pep rally, and then homecoming.

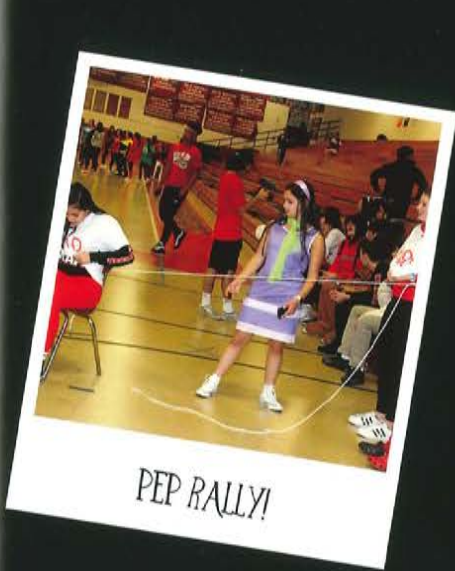

Our freshmen year, it was as though we went through the "jungle," with our Indiana Jones skit for the pep rally. Some of us came in as timid students, roaming the halls sometimes asking where our classes were, or if we were too shy, just walked around until we found it. Our freshmen year was also filled with water when we were gifted with the "Great Durfee Flood of 2018". After lots of renovations and classroom movement, Science had new updated classrooms and equipment.

Then we entered the "Wizards World" of sophomore year. It was a fresh new start. We helped advocate for a better building for future Hilltoppers to grow in and we succeeded in that effort. We were lucky enough to witness actual Fall River history, with the groundbreaking of our new building. That year, some of us were even able to travel back to the past and watch Hamilton and then live the dreams of Jay Gatsby in Newport, on two of the best field trips!

Junior year came around the corner and we were ready. All of our teachers prepared us for these moments. They prepared us for writing these endless essays and those codes in computer science. We almost felt like we were Scooby and his gang as we could not catch the ghost, but we had our teachers there to help us. We knew we could run to their offices or classrooms as a safe haven. Once we started getting comfortable, the unexpected happened. We were forced to leave everything behind, due to the COVID-19 pandemic, ending our Jr. year on Friday, March 13, 2020. For some, this was the last time being in the halls of the school.

Who knew our last first day would be online? As freshmen, we dreamed of running the school. We wanted to be the top class, win the pep rally skit, beat New Bedford, etc.... Deep down we knew this was never a possibility due to the pandemic. We had to adapt to new styles of learning. We went from fully remote, to hybrid, to in person learning by year's end. Luckily, by following strict guidelines, we were able to have some sporting events and even have senior nights. Our final year did end on some high notes, with our senior skip day, awards ceremonies, the Senior Celebration, and an in-person Graduation.

The day we worked so hard for finally arrived. At 10:00 AM, on June 5, 2021, we marched on the field to the song of success, but nothing could have prepared us for the emotions we were going to feel. This day did not feel like a preschool or middle school step-up ceremony, this felt like we had the power of change. "All of our souls were tested" during these hard times, we grew closer as a community as we saw our country divide. These events reminded us that the world was unpredictable and we were to always be vigilant. We cannot lose sight of where we are going. Dolly Parton once said, "The way I see it, if you want the rainbow, you gotta put up with the rain." Truly, we the Class of 2021 have been tested mentally and physically, we all have gone through a loss no matter how big or small it was, but our Hilltopper home was always there. "Once a Hilltopper, Always a Hilltopper," see you at the summit.

Class of 2021,

Congratulations to the Class of 2021! Graduating from high school is a milestone in your life. Take pride in this accomplishment and be thankful to those who have helped you along the way. Now, build upon this momentum and seek new challenges and opportunities that will improve your life and your community.

The class will be remembered for their perseverance through many changes, as we all learned to navigate a global pandemic. Students remained flexible while we moved from in-person learning, to remote learning, to hybrid learning in an effort to keep students, staff, and families healthy. Throughout these shifts you remained positive and carried yourself with grace. I am proud of each and every one of you.

As you move on to the next chapter of your life, be kind, treat others with respect, and strive to make the world a better place. Remember that no matter where your path leads, you will always be a Hilltopper! You will be missed!

Administration

To the Class of 2021,

You are in a unique place among the proud alumni of B.M.C. Durfee High School of Fall River. You all navigated an anomalistic senior year as the last graduating class of our current building and commenced into your adult life within the context of a permanently altered concept of normal. The American lyricist Robert Hunter wrote "Once in a while you get shown the light in the strangest of places if you look at it right." While this past year certainly had its dark moments, I encourage you to always seek the beauty in life. As you work to attain your goals and live your dreams, embrace each day with grace, empathy, and joy! Strive to make the world a better place wherever you choose to live, but always remember the foundation your hometown has provided for you. We are proud to call you Hilltoppers!

ONE LAST LOOK... THE "NEW" DURFEE 1978-2021

Madeline Reilly Gray

Maddie,

Congratulations! We are all so proud of what an amazing, smart, kind, funny, talented, super cool person you are. Make your dreams come true! =)

"Oh, the places you'll go!"

We love you very much!

Dad, Mom, & Family xoxo

2021 Record Book

Special thanks to:

Andro Alkhawande,
Kylee Costa,
Victoria Dos Anjos,
and everyone who submitted
pictures to help us publish this
yearbook during this
unprecedented year. It was a
difficult task, with many
obstacles, but we made it!
Congratulations to the
Class of 2021!
