DURFEE

DURFEE

OUR CLASS HISTORY

September 5, 2013...For many of us this was our first time stepping into Durfee, but for all of us, this was the day we officially became a part of the Hilltopper community. Freshman Academy helped us, although we don't want to admit it, acclimate to the Durfee building. Slowly, but surely, we learned our way around the maze that is Durfee.

Our Freshmen Pep Rally was one for the record books. Who could forget the fire alarm going off and having to evacuate the building in the pouring rain? We had an eye for gold with our "Olympics" skit but got bronze with third place. We swore we would get back next year and began planning our revenge skit.

Freshmen year came to a close with the "TP-ing" of Freshman Academy. Many of us felt the same way about it as the Seniors who committed the prank did, but we still laughed when they were caught and forced to clean up their mess.

Sophomore year brought on many changes for the Class of 2017, we said goodbye to our original Vice Principal, Mr. Ross Thibault, and hello to our new leader, Dr. Aimee Bronhard. Finally out of Freshman Academy, we found our own around the school and were given more control over our schedules. With Durfee Discovery done with, we were able to take the classes that were important to us: Cosmetology, ROTC, Culinary, FRED-TV, and so many other elective opportunities.

Perhaps our shining feat of Sophomore year was Pep Rally. After weeks of preparing and perfecting our "Peter Pan" sk the time had come to show who had the most Durfee pride. On the day of, we put out a strong performance with Peter P leading the way. Unfortunately, seniors were privileged and took our deserved win from us with their "Battle of the Ba skit. The "G.O.A.T." was born and ready to get back at it next Pep Rally.

For many of us Sophomore Year was full of sweet sixteens and parties to celebrate a certain coming of age. We fondly look back on the weekends of dressing up, dancing, and eating pounds of cakes and candy. Sophomore year also sa our last MCAS tests, and for some the beginning of our AP exams. By the end of the year we were ready for Junior yea but felt it hard to let go to the past when we said goodbye to our Class Advisor, Mr. Sam Podbelski.

Junior year started with drastic changes. Our seven period schedule was cut to five periods with alternating red and bl days. It took weeks for us to truly get used to the change, but the Class of 2017 proved that any obstacle could be overcome. We joyfully welcomed our new class advisor, Mr. Oliver McNeely. That same year, our principal, Mr. Pau Marshall, left due to illness. Wishing him well, we welcomed Ms. Pontes as the newest leader of the Hilltopper commu

The G.O.A.T. Class of 2017 brought their A-game to the Pep Rally. We were in it to win it. With "Star Wars The Force Awakens" bringing the franchise back to theaters, we adopted the theme for our best skit yet. Months of prep paid off our skit was executed to near perfection, complete with lightsabers, backflips, Chewbacca, and a giant Death Star an course, the grand reveal of Mr. Pod as Vader. We were confident, but again came in second to the Seniors when the narrowly edged us out with their "Grease" skit. At least we knew victory would be guaranteed Senior year.

lost two of our own in the Durfee community during Junior year, Janelle "Nelly" Eaton and Hannah Raposo. Their es at the beginning and end of the year were heartbreaking. The school rallied around to remember them, proving the ength of the Hilltopper spirit.

ior year had us look to our futures and begin to prepare. Many of us began to look for colleges, even visiting some. We ched for future careers and took part in the Credit for Life Fair. Who could forget budgeting your potential life to make to afford a monthly Netflix subscription? Though we all had different ideas of what our futures would look like, we all one thing in common, we were ready for Senior year.

ly for us Junior year was cut short as the temperatures soared in the building. Signs and tweets reading #AirforDurfee d be seen everywhere. And so, the summer going into Senior year began early. Even though we were on break, many spent part of our summer here at Durfee welcoming the newest additions to the Durfee family during Seniors Helping inen.

n Senior year finally kicked off on September 7, 2016 we were veterans of the building and the five period schedule. Week was the best yet, and as seniors it was our job to show the rest of the school just how much school spirit we

Rally themes were hotly contested this year, so many ideas flew around that it seemed like we would never be done on The two big ideas seemed to be "Tale of the Goat" and "Willy Wonka", ultimately we went with the sweeter option two. On the day of Pep Rally the skit went on without a hitch. It was only afterwards when the underclassmen med the floor and scared our friend the Goat, that things went South. We came out on top though and could finally say we were officially number one.

football team, rallied around our very own Steven Sousa, who brought it during the Thanksgiving game against New ford. In a thrilling back and forth, the Hilltoppers pulled out the win, bringing back the title of Thanksgiving Day mpions to Durfee much like the Patriots did to New England in February.

spring of senior year was a time of decision making. Deciding where we were headed after Durfee, whether to college areer, near or far, or anything in between. On June 2, 2017 we danced the night away at the Senior Prom. The classic ght" theme seemed to suit our class as it showed just how mature we had become over the past four years.

n people say that high school flies by, they aren't joking. These past four years have been a time to discover ourselves, passions, our friends, and our family. Graduation marked our last day as a student in the Durfee community, but not our as a Hilltopper. On Friday night, June 9, 2017, we joined the ranks of thousands of other Durfee alumni, but with one ng difference, we were the **Greatest Of All Time!**

Dear Class of 2017,

Your time has finally arrived! Congratulations to each of you for your commitment, hard work and perseverance throughout the last four years. Your high school graduation is an important milestone as it marks not only the end of your Fall River Public Schools education but also ushers you into the next phase of your life journey.

Whichever pathway you are choosing for the next leg of your journey-be it college, work force or military service, know that you are leaving with all of our love and support. Remember to carry yourselves always with pride-Durfee Pride-and continue to apply yourselves in being the best young adults you are meant to be. Be sure to take advantage of every opportunity life will afford you as those opportunities will shape the young men and women you become.

It has been and honor and privilege to have served as your principal for the final two years of your journey here at Durfee. Thank you for all that you are and go confidently knowing that Durfee is a richer community because you were part of it!

With Durfee Pride,

Class of 2017,

Here we are, at the end of your journey through four years of high school, and for many of you, all four years at B.M.C. Durfee High School! On behalf of the Senior Office Team, we extend our most gracious and heartfelt congratulations on a job well done. You are officially a member of the Durfee Alumni and a graduate of a place you will find yourself continually referencing with pride as you grow older.

Each of you has had a different journey through the halls of Durfee but, we would hope that you walk away with a shared understanding that all of our collective efforts had the common goal of reaching this moment, Graduation Day. You have been shaped by the friends, students, family, teachers, coaches, mentors, and staff who have been part of this journey with you. We hope for your continued growth and achievement as you venture into yet another chapter of your lives. We are confident you will all grow into the best versions of yourself and achieve greatness as individuals who are connected to a bigger purpose.

We hope you always remember a few things: take control of the aspects of life you have control over; "Be Happy People", know your personal limits and your non-negotiables in life. Remember to always hold yourself accountable! You are amazing as the #GOAT Class of 2017; as individuals you are all beautiful people who truly changed our lives and leave us as better people and educators.

Until we meet again,

Over the past four years at Durfee I've made friends and memories that will last a lifetime. Sometimes I wish I could rewind to freshman year and start it all over again with my best friends by my side one last time. Ruby, thank you for being someone I can trust no matter what, I am so glad to be able to call you my best friend. Sophia and Gabby, freshman year I would have never thought that we'd all be this close, yet here we are. You girls have made my senior year an unforgettable one and I can't wait to spend the summer guarding with you guys. Remember, we are the 5%. Carlos, I couldn't thank you enough for all you do for me, I'm so grateful to have someone like you by my side. I'd also like to thank my Mom and Dad for always pushing me to do my best and teaching me respect, love, and wisdom. Ultimately, this yearbook wouldn't have been possible without Mrs. Silva. Thank you for taking me under your wing sophomore year and giving me the opportunity to become the Editor. Although it has been stressful, I could not have been more pleased with the outcome. Thank you Jessica and Vanessa for helping with the yearbook, your contributions mean the world to me. Durfee has offered me so much in such a short span of time, and I'd like to thank the staff and students who made it all possible. To the Class of 2017, I wish you the best of luck in your future endeavors. Once a Hilltopper, always a Hilltopper!

Jessica Miranda

My four years here at Durfee have been among the most memorable of my life. I've met my best friends here and had countless unforgettable memories. I'd like to thank my family especially, Mom and Dad for always pushing me to do my best, and to my brother, Brandon, who is my best friend. I am so excited to see what your years as a Hilltopper bring! Thank you to Elizabeth and Sabrina who have been by my side since day one, I love you guys. A special thank you to Mr. Saurette who has been one of the most inspirational teachers I've had in my entire educational career, not only did you pique my academic curiosity in AP Lang but you helped me to pursue activities after school that I wouldn't have dreamed of. Thank you to Pauline McGrath and everyone at FRED-TV for giving me the experience of a lifetime. FRED has really helped me to mature as a person and has taught me so much about the field I want to pursue. The class and opportunities that have followed me have been priceless. And finally a big thank you to the Class of 2017, its been real. I can't wait to see what the future brings for all of us!

Vanessa Smith

These past four years at Durfee will be unforgettable. I have made so many great memories and become friends with some of the greatest people. I wouldn't be where I am today if it wasn't for my older sister, Elexis, who has always inspired me. I am grateful for all the amazing opportunities that our school has provided. My time here at Durfee wouldn't have been the same without my closest friend Kayla Holleran and I'm excited for what is to come in our future. I would like to give a special thanks to Mrs. Bernier who has always pushed me to do my best, and Mrs. Silva for letting me be a part of the yearbook staff. Finally, I give my best wishes to the Class of 2017, you are all a force for the future!

Thank You
